Sandcastle Kings Jul 08 2020 The world seems to have figured out the formula for manufacturing material success, but when it comes to finding true, lasting happiness, we are as lost as ever. We yearn for more, or less, or something that's just different from what we have right now. Deep down, we know there must be satisfaction for our longing. We just don't know where to find it. In Sandcastle Kings, Rich Wilkerson, Jr. uses four powerful stories from the seventh chapter of Luke to explain why spiritual fulfillment cannot be found in ourselves, in other people, in material things, or even in religion. By studying the stories of the centurion's faith, the resurrection of the widow's son, Jesus' message about John the Baptist, and the anointing by the woman with the alabaster jar, you will be able to face your doubts and insecurities and overcome your anxiety, discontentment, and depression. Wilkerson wants you to understand that the only answer for your spiritual bankruptcy is Jesus and that until you turn to him you will never experience the lasting peace and joy you so desperately crave.

Arundhati Roy's The God of Small Things Mar 16 2021 On publication Arundhati Roy's first novel The God of Small Things (1997) rapidly became an international bestseller, winning the Booker Prize and creating a new space for Indian literature and culture within the arts, even as it courted controversy and divided critical opinion. This guide to Roy's ground-breaking novel offers: an accessible introduction to the text and contexts of The God of Small Things a critical history, surveying the many interpretations of the text from publication to the present a selection of new essays and reprinted critical essays by Padmini Mongia, Aijaz Ahmad, Brinda Bose, Anna Clarke, Emilienne Baneth-Nouailhetas and Alex Tickell on The God of Small Things, providing a range of perspectives on the novel and extending the coverage of key critical approaches identified in the survey section cross-references between sections of the guide, in order to suggest links between texts, contexts and criticism suggestions for further reading. Part of the Routledge Guides to Literature series, this volume is essential reading for all those beginning detailed study of The God of Small Things and seeking not only a guide to the novel, but a way through the wealth of contextual and critical material that surrounds Roy's text.

The Sweeney Sisters May 06 2020 "This is a big-hearted belly-laugh of a book, told with wit and poignancy. Family secrets, laughter and tears, shocking reveals, and an uplifting ending make this a story to savor--and share."--Susan Wiggs, New York Times bestselling author of The Lost and Found Bookshop An accomplished storyteller returns with her biggest, boldest, most entertaining novel yet--a hilarious, heartfelt story about books, love, sisterhood, and the surprises we discover in our DNA. Maggie, Eliza, and Tricia Sweeney grew up as a happy threesome in the idyllic seaside town of Southport, Connecticut. But their mother's death from cancer fifteen years ago tarnished their golden-hued memories, and the sisters drifted apart. Their one touchstone is their father, Bill Sweeney, an internationally famous literary lion and college professor universally adored by critics, publishers, and book lovers. When Bill dies unexpectedly one cool June night, his shell-shocked daughters return to their childhood home. They aren't quite sure what the future holds without their larger-than-life father, but they do know how to throw an Irish wake to honor a man of his stature. But as guests pay their respects and reminisce, one stranger, emboldened by whiskey, has crashed the party. It turns out that she too is a Sweeney sister. When Washington, DC based journalist Serena Tucker had her DNA tested on a whim a few weeks earlier, she learned she had a 50% genetic match with a childhood neighbor--Maggie Sweeney of Southport, Connecticut. It seems Serena's chilly WASP mother, Birdie, had a history with Bill Sweeney--one that has remained totally secret until now. Once the shock wears off, questions abound. What does this mean for William's literary legacy? Where is the unfinished memoir he's stashed away, and what will it reveal? And how will a fourth Sweeney sister--a blond among redheads--fit into their story? By turns revealing, insightful, and uproarious, The Sweeney Sisters is equal parts cautionary tale and celebration--a festive and heartfelt look at what truly makes a family. "Dolan uses her experience in podcasting with her own sisters to craft believable women characters who worry about real problems and use wry humor to push through dark moments A warmhearted portrait of love embracing true hearts."--Kirkus

The Person You Mean to Be Aug 01 2022 "Finally: an engaging, evidence-based book about how to battle biases, champion diversity and inclusion, and advocate for those who lack power and privilege. Dolly Chugh makes a convincing case that being an ally isn't about being a good person--it's about constantly striving to be a better person."--Adam Grant, New York Times bestselling author of Give and Take, Originals, and Option B with Sheryl Sandberg Foreword by Laszlo Bock, the bestselling author of Work Rules! and former Senior Vice President of People Operations at Google An inspiring guide from Dolly Chugh, an award-winning social psychologist at the New York University Stern School of Business, on how to confront difficult issues including sexism, racism, inequality, and injustice so that you can make the world (and yourself) better. Many of us believe in equality, diversity, and inclusion. But how do we stand up for those values in our turbulent world? The Person You Mean to Be is the smart, "semi-bold" person's guide to fighting for what you believe in. Dolly reveals the surprising causes of inequality, grounded in the "psychology of good people". Using her research findings in unconscious bias as well as work across psychology, sociology, economics, political science, and other disciplines, she offers practical tools to respectfully and effectively talk politics with family, to be a better colleague to people who don't look like you, and to avoid being a well-intentioned barrier to equality. Being the person we mean to be starts with a look at ourselves. She argues that the only way to be on the right side of history is to be a good-ish--rather than good--person. Good-ish people are always growing. Second, she helps you find your "ordinary privilege"--the part of your everyday identity you take for granted, such as race for a white person, sexual orientation for a straight person, gender for a man, or education for a college graduate. This part of your identity may bring blind spots, but it is your best tool for influencing change. Third, Dolly introduces the psychological reasons that make it hard for us to see the bias in and around us. She leads you from willful ignorance to willful awareness. Finally, she guides you on how, when, and whom, to engage (and not engage) in your workplaces, homes, and communities. Her science-based approach is a method any of us can put to use in all parts of our life. Whether you are a long-time activist or new to the fight, you can start from where you are. Through the compelling stories Dolly shares and the surprising science she reports, Dolly guides each of us closer to being the person we mean to be.

HarperCollins Concise Guide to World Religions Jul 20 2021 The definitive dictionary of the world's religions, compiled by two of the 20th century's most distinguished religion scholars. This highly accessible resource distills Mircea Eliade's lifework of detailing and comparing humanity's entire religious heritage, providing fascinating insights into the character and worldview of the 33 principal religions. Including Buddhism, Christianity, Jainism, Judaism, Islam, Shinto, Shamanism, Taoism, South American religions, Baltic and Slavic religions, Confucianism, and the religions of Africa and Oceania, The HarperCollins Concise Guide to World Religions covers all kinds of religious figures, histories, sacred texts, mythologies, and mystical techniques.

The Tale Teller Sep 21 2021 NEW YORK TIMES BESTSELLER Legendary Navajo policeman Lieutenant Joe Leaphorn takes center stage in this riveting atmospheric mystery from New York Times bestselling author Anne Hillerman that combines crime, superstition, and tradition and brings the desert Southwest vividly alive. Joe Leaphorn may have retired from the Tribal Police, but he finds himself knee-deep in a perplexing case involving a priceless artifact--a reminder of a dark time in Navajo history. Joe's been hired to find a missing bill, a traditional dress that had been donated to the Navajo Nation. His investigation takes a sinister turn when the leading suspect dies under mysterious circumstances and Leaphorn himself receives anonymous warnings to beware--witchcraft is afoot. While the veteran detective is busy working to untangle his strange case, his former colleague Jim Chee and Officer Bernie Manuelito are collecting evidence they hope will lead to a cunning criminal behind a rash of burglaries. Their case takes a complicated turn when Bernie finds a body near a popular running trail. The situation grows more complicated when the death is ruled a homicide, and the Tribal cops are thrust into a turf battle because the murder involves the FBI. As Leaphorn, Chee, and Bernie draw closer to solving these crimes, their parallel investigations begin to merge . . . and offer an unexpected opportunity that opens a new chapter in Bernie's life.

One Crazy Summer Dec 01 2019 In this Newbery Honor novel, New York Times bestselling author Rita Williams-Garcia tells the story of three sisters who travel to Oakland, California, in 1968 to meet the mother who abandoned them. A strong option for summer reading—take this book along on a family road trip or enjoy it at home. This moving, funny novel won the Scott O'Dell Award for Historical Fiction and the Coretta Scott King Award and was a National Book Award Finalist. Delphine, Vonetta, and Fern's story continues in *P.S. Be Eleven* and *Gone Crazy* in Alabama. Readers who enjoy Christopher Paul Curtis's *The Watsons Go to Birmingham* and Jacqueline Woodson's *Brown Girl Dreaming* will find much to love in *One Crazy Summer*. Rita Williams-Garcia's books about Delphine, Vonetta, and Fern can also be read alongside nonfiction explorations of American history such as Jason Reynolds's and Ibram X. Kendi's books. In *One Crazy Summer*, eleven-year-old Delphine is like a mother to her two younger sisters, Vonetta and Fern. She's had to be, ever since their mother, Cecile, left them seven years ago for a radical new life in California. But when the sisters arrive from Brooklyn to spend the summer with their mother, Cecile is nothing like they imagined. While the girls hope to go to Disneyland and meet Tinker Bell, their mother sends them to a day camp run by the Black Panthers. Unexpectedly, Delphine, Vonetta, and Fern learn much about their family, their country, and themselves during one truly crazy summer. This novel was the first featured title for Marley D's Reading Party, launched after the success of #1000BlackGirlBooks. Maria Russo, in a New York Times list of "great kids' books with diverse characters," called it "witty and original." "This vibrant and moving award-winning novel has heart to spare," commented Olugbemisola Rhuday-Perkovich in her *Brightly* article "Knowing Our History to Build a Brighter Future: Books to Help Kids Understand the Fight for Racial Equality."

Understanding Charles Dickens's A Tale of Two Cities : A study guide Oct 30 2019 *A Tale of Two Cities* (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel depicts the plight of the French peasantry demoralised by the French aristocracy in the years leading up to the revolution, the corresponding brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution, and many unflattering social parallels with life in London during the same period. It follows the lives of several characters through these events. *A Tale of Two Cities* was published in weekly instalments from April 1859 to November 1859 in Dickens's new literary periodical titled *All the Year Round*. All but three of Dickens's previous novels had appeared only as monthly instalments. It was the time of the French Revolution - a time of great change and great danger. It was a time when injustice was met by a lust for vengeance, and rarely was a distinction made between the innocent and the guilty. Against this tumultuous historical backdrop, Dickens' great story of unsurpassed adventure and courage unfolds. Unjustly imprisoned for 18 years in the Bastille, Dr. Alexandre Manette is reunited with his daughter, Lucie, and safely transported from France to England. It would seem that they could take up the threads of their lives in peace. As fate would have it though, the pair are summoned to the Old Bailey to testify against a young Frenchman - Charles Darnay - falsely accused of treason. Strangely enough, Darnay bears an uncanny resemblance to another man in the courtroom, the dissolute lawyer's clerk Sydney Carton. It is a coincidence that saves Darnay from certain doom more than once. Brilliantly plotted, the novel is rich in drama, romance, and heroics that culminate in a daring prison escape in the shadow of the guillotine. Novel by Charles Dickens, published both serially and in book form in 1859. The story is set in the late 18th century against the background of the French Revolution. Although Dickens borrowed from Thomas Carlyle's history, *The French Revolution*, for his sprawling tale of London and revolutionary Paris, the novel offers more drama than accuracy. The scenes of large-scale mob violence are especially vivid, if superficial in historical understanding. The complex plot involves Sydney Carton's sacrifice of his own life on behalf of his friends Charles Darnay and Lucie Manette.

Daughters of the New Year Aug 21 2021 "A daring debut." -New York Times Book Review A lively, spellbinding tale about the extraordinary women within a Vietnamese immigrant family—and the ancient zodiac legend that binds them together. What does the future hold for those born in the years of the Dragon, Tiger, and Goat? In present day New Orleans, Xuan Trung, former beauty queen turned refugee after the Fall of Saigon, is obsessed with divining her daughters' fates through their Vietnamese zodiac signs. But Trac, Nhi and Trieu diverge completely from their immigrant parents' expectations. Successful lawyer Trac hides her sexuality from her family; Nhi competes as the only woman of color on a Bachelor-esque reality TV show; and Trieu, a budding writer, is determined to learn more about her familial and cultural past. As the three sisters begin to encounter strange glimpses of long-buried secrets from the ancestors they never knew, the story of the Trung women unfolds to reveal the dramatic events that brought them to America. Moving backwards in time, E.M. Tran takes us into the high school classrooms of New Orleans, to Saigon beauty pageants, to twentieth century rubber plantations, traversing a century as the Trungs are both estranged and united by the ghosts of their tumultuous history. A "haunted story of resilience and survival" (Meng Jin, *Little Gods*), *Daughters of the New Year* is an addictive, high-wire act of storytelling that illuminates an entire lineage of extraordinary women fighting to reclaim the power they've been stripped of for centuries.

Love That Dog Sep 29 2019 This is an utterly original and completely beguiling prose novel about a boy who has to write a poem, and then another, and then even more. Soon the little boy is writing about all sorts of things he has not really come to terms with, and astounding things start to happen.

Grounds for Marriage, Book and Study Guide Jun 18 2021 Your marriage is in crisis, and you've read countless books on how to make it work, but to no avail. You haven't seen sustainable change in your relationship, and you're ready to give up hope that counseling will be effective. You're weary of striving, and you may have even considered having an affair, doing violence to yourself or to your partner, or indulging in an addiction. Perhaps you already have. You cannot stomach another false promise or simplistic solution to the complex problems in your marriage, and you wonder, is there any other way? *Grounds for Marriage* speaks into the wreckage of broken covenants with a fresh perspective on relationship, refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired. This material helps couples and their counselors to honestly evaluate troubled marriages, providing a much-needed compassionate, sensible, hopeful, sound, and sometimes unexpected understanding of the scriptures and of relationship. Synchronizing personal story, anecdotes from her work as a Licensed Professional Counselor, and a review of literature in psychology and theology, Jade G. Stone helps couples in crisis to: -study the scriptures to determine what they say constitutes a marriage covenant -recognize how both partners contribute to failure in their marriage -heal from old wounds so they can be in covenantal relationship with God and with a covenant companion With no-nonsense directness and high-definition clarity, Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God. She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy (grounds for marriage), without which you cannot determine what comprises broken intimacy (grounds for divorce). From a covenantal/relational perspective, you can maintain scriptural integrity, understanding, and wisdom as you evaluate a marriage in crisis. *Grounds for Marriage* includes a study guide to help readers personalize the concepts presented.

A Study Guide for Sue Monk Kidd's "The Secret Life of Bees" Feb 24 2022 A Study Guide for Sue Monk Kidd's "The Secret Life of Bees," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. The Book of Awesome Women Writers Apr 28 2022 "A testament to the relationship and contributions of women writers, lest we forget their impact and inspiration . . . [an] amazing journey." -Ntozake Shange, author of *For Colored Girls Who Have Considered Suicide/When the Rainbow is Enuf* From the first recorded writer to current bestsellers, Becca Anderson takes us through time and highlights women who have left their mark on the literary world. This expansive compilation of women writers is a chance to delve deeper into the lives and works of renowned authors and learn about some lesser-known greats, as well. Some of the many women writers you will love learning about are: Maya Angelou, Jane Austen, Judy Blume, Rachel Carson, Nadine Gordimer, Margaret Mead, Joyce Carol Oates, and many, many more. This feminist book is a beacon of brilliance and a celebration of the journeys and accomplishments of women who have worked to have their voices heard in black and white letters across the world. Open *The Book of Awesome Women Writers* today, and you will find: Engaging chapters such as "Prolific Pens," "Mystics, Memoirists, and Madwomen," and "Banned, Blacklisted, and Arrested" A plethora of necessary new additions to your reading list Confirmation that the female voice is not only awesome, but an essential part of literary culture "So go on, do some guilt-free indulging in the pages of Becca Anderson's basket of literary bonbons. She has gathered a wealth of delectable stories in which to immerse ourselves, a bit at a time. Let's hear it for bibliophiles and book ladies—our richest yet most non-fattening vice." -Vicki León, author of *Uppity Women of Ancient Times*

Talk to Me Jul 28 2019 How far would you go to save someone you love? And what if that someone was . . . not exactly human? Guy Schermerhorn, brilliant young professor of psychology and disciple of the pioneering Dr Moncrieff, is making a name for himself on the talk show circuit with an unusual protégé in tow: a chimp by the name of Sam. Sam lives in Guy's apartment, wears diapers and neckties, devours pizza and Macdonalds – and, through Guy's careful training, can communicate through sign language. But living with Sam is wreaking havoc on Guy's personal life, and when shy, meek undergraduate Aimee Villard volunteers to take on babysitting for him, he can't believe his luck. Aimee and Sam have an immediate rapport, and before Guy knows it she's moved in, proudly devoting herself to Sam's care and Guy's project. Aimee has never known purpose and happiness like this; but when Guy's funding is imperilled, and Sam is taken away by the sinister Moncrieff, her world falls apart. Aimee discovers just how far she'll go to, and just what she'll risk, to be united with the chimp she's come to love so much.

Mad about You Aug 28 2019 "Mhairi McFarlane writes with a singular wit, charm, and emotional complexity, every word just right, every page brimming with delicious tension." - Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* International bestseller Mhairi McFarlane delivers a sharp, emotional new novel about a woman who calls off her engagement to "the perfect man" and moves in with a charming stranger who makes her question everything about her life, her past, and the secrets she's kept for far too long. . . Harriet Hatley is the most in-demand wedding photographer in town, but she doesn't believe in romance, loathes the idea of marriage, and thinks chocolate fountains are an abomination. Which is why, when her long-time partner proposes, she panics. Suddenly Harriet is single... and living down the hall from her ex. She needs a new apartment, like, yesterday. Enter Cal Clarke, a hopeless romantic who just experienced his own wedding-related disaster. Harriet and Cal are like chak and cheese, but as they go from strangers to roommates to friends, it becomes clear they're both running from something. When Harriet's most heavily guarded secret comes to light, her world implodes. And Cal, with his witty humor and gentle advice, is a surprising source of calm at the center of the storm. With her career, friendships, and reputation on the line, Harriet must finally face her past in order to take control of her future. Because if she's willing to stop playing it safe and risk everything to share her truth, real love and happiness may be waiting on the other side. . .

Holding On When You Want to Let Go Study Guide Jun 06 2020 Are you struggling today? Do you look back and long for what used to be, or are you looking ahead and have no idea what's coming? Are you stuck in the middle of a mess because life has not turned out as you expected? When you run to God for answers, do you often feel like you aren't getting them--or at least aren't getting the answers you want? Are you holding on . . . but not sure how much longer you can? In times of not knowing, Sheila Walsh offers a lifeline of hope. With great compassion born of experience and hardship, Walsh comes alongside the hurting, fearful, and exhausted to remind us that we serve a God who is so much greater than our momentary troubles, no matter how insurmountable they feel. She doesn't offer a quick fix. She offers a God fix. Sharing from her own painful struggles and digging deep into biblical stories of rescue, hope, and miracles, she gives you the strength to keep going, to keep holding on to God in a world turned upside down. The accompanying study includes 10 lessons to help individuals or groups dive deeper.

Rev Gcse Maths Study Guide Jun 26 2019 Written by examiners and experienced teachers, this work offers study and homework support throughout GCSE. It is useful as a reference source, a lesson back-up and a revision guide.
