The Orville Library Edition Volume 1 Oct 11 2020 An oversized deluxe hardcover chronicling six missions not seen in the episodes of Seth MacFarlane's beloved sci-fi TV show! Written by Executive Producer David A. Goodman and set in between the events of seasons one through three, these adventures take the starship Orville into the unknown, and sometimes, the line of fire! In “New Beginnings”, investigation of a century-old distress signal results in Ed and Gordon marooned on a war-ravaged desert planet in the custody of an unknown species. Then, in “The Word of Avis”, seemingly hapless xenanthropologists lead the Orville into a fight for survival within Krill-controlled territory. In “Launch Day”, the question of whether a suspicious space construct is a weapon tests the Planetary Union’s peaceful convictions. While in “Heroes”, Talla considers taking matters into her own hands upon discovering an idyllic planet she once surveyed has been subjugated by a hostile alien force. In “Digressions”, Kelly must unwind an alternate timeline where her refusal to go on a second date with Ed has doomed the galaxy to destruction. And in “Artifacts”, the obsessive pursuit of a lost civilization’s legendary fleet by Ed’s old astro-archeology teacher puts the Orville in grave danger. Collects The Orville #1-4 (“New Beginnings” and “The Word of Avis”), The Orville #1-4 (“Launch Day” and “Heroes”), The Orville #1-2 (“Digressions”), The Orville #1-2 (“Artifacts”).

Iceberg Mar 04 2020 Dirk Pitt hunts down, with the help of a beautiful Icelandic woman, an elusive, God-playing multibillionaire and a priceless cargo that could annihilate nations. **Forensic Science (Library Edition)** Mar 16 2021 Learn all about the thrilling world of forensic science, from how to analyze fingerprints to investigating scenes of major incidents. Every aspect of forensic science is explained in the child-friendly yet detailed, fact-packed style of the best-selling DK Eyewitness series, with photography revealing everything from the investigator's toolkit to face-recognition techniques. What is forensic science and how is it used to solve a crime? How do you know whether a red stain is blood or ketchup, or whose blood it is? Can computers really recognize your face in a crowd? How do scientists decide how old bones are, and trace who they once belonged to? Explore the fascinating, and sometimes gory, world of forensics, where science helps crack the case. Learn why it is important to secure a crime scene, why fingerprints are critical clues, and how DNA sampling works. Find out how maggots can reveal how long someone has been dead, or how a single fabric fiber can lead to the murderer. From the scene of the crime to testing in the laboratory, you will get to know how all the clues are put together to tell a story and reveal the guilty person. Discover how methods have changed since the days of Sherlock Holmes, the latest technology in use today, and techniques of the future. Flip to the reference section to learn about pioneers in the field, see a timeline of forensic firsts, and locate museums and special websites to visit for further inspiration and exploration. The glossary gives you all the vocabulary you need to sound like a real CSI expert.

Buffy Season 10 Library Edition Volume 1 Oct 30 2019 The cult-favorite television series from creator Joss Whedon continues in comics with Season 10, where Buffy and the Scoobies are rewriting the rules of magic and monsters . . . This oversized Library Edition collects the materials from Buffy Season 10 Volume 1 and Volume 2 softcovers, along with all the comic book covers, and an expanded sketchbook section. While slaying the zompies that have overrun a small California town, Buffy and her pals are shocked to discover another new kind of vampire: harder to kill, able to transform, and walk in the light of day--like Dracula . . . If that weren't enough, the rules of magic are literally being rewritten in the Vampyr book. The crew attempts to restore the status quo, all while Xander is the victim of a haunting, his relationship with Dawn begins to crumble, and Dracula himself enters the picture. Then when the Vampyr book goes missing--now a highly coveted item--Buffy and the Scoobies head for what might be a disaster in Sunnydale where Andrew is up to his good/bad/old tricks again. As everyone feels the responsibility of protecting the book and writing the new magical rules, they are tempted by what new rules can do for them . . . just like the Big Bads who have come knocking on Buffy's door! Writers Christos Gage (Angel & Faith) and Buffy star Nicholas Brendon team with artist Rebekah Isaacs (Angel & Faith) to take on the Slayer and her teammates in her tenth season; they're joined by guest artists Richard Corben (Hellboy), Karl Moline (Fray), and Cliff Richards (Dollhouse).

Ecology and Evolution of Darwin's Finches (Princeton Science Library Edition) Sep 29 2019 After his famous visit to the Galápagos Islands, Darwin speculated that "one might fancy that, from an original paucity of birds in this archipelago, one species had been taken and modified for different ends." This book is the classic account of how much we have since learned about the evolution of these remarkable birds. Based upon over a decade's research, Grant shows how interspecific competition and natural selection act strongly enough on contemporary populations to produce observable and measurable evolutionary change. In this new edition, Grant outlines new discoveries made in the thirteen years since the book's publication. *Ecology and Evolution of Darwin's Finches* is an extraordinary account of evolution in action. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

""The prophecies are coming to pass, the threads all coming together. It's a thing of true beauty, really. When it comes down to it, Mike Mignola creating, writing, and drawing the character feels like one of the most important things to ever happen to the medium . . . Epic, perfectly paced, and profoundly dark. Hellboy is comics. It's what the medium is all about."--Nerdist "Hellboy in Hell may be Mike Mignola's masterpiece . . . Mignola's sparse illustration is given deep, complex mood thanks to Stewart's transfixing color palettes. Grab the first volume, sit down with both of these monsters, and sink into the storytelling."--The Creator's Project
