*Empowerment Takes More Than a Minute Apr 19 2022* In the newly updated edition of this classic empowerment business fable—over 400,000 copies sold—Ken Blanchard and John Carlos show you how to shift to an empowered, employee-driven work environment. *Empowerment Takes More Than a Minute* tells the story of a young manager whose attempts to turn his troubled company around through traditional top-down, command-and-control management are failing. Reluctantly, he contacts an expert in empowerment, even though he feels like he's already tried that approach. Step by step, the expert helps him understand why his past and present efforts have fallen short and figure out what he needs to do to create an empowered workforce. The process as it unfolds is complex, paradoxical, and counterintuitive—but well worth the effort. This new edition dispels the notion that empowerment is a bygone fad. No matter what its name, the essential concept—that organizations can achieve extraordinary results by recognizing and taking advantage of the skills, experience, and knowledge already existing in the organization—will always be relevant. Although sometimes arduous, the journey to empowerment is well worth embarking on. In fact, unleashing the power of people in an organization may be the only way to continue to do business in a competitive, complicated marketplace. Books by Horseback Oct 13 2021 "Capturing one librarian's breathtaking fictional journey is a riveting way to showcase and honor the risky work of these real librarians, and the text communicates a deep reverence for their mission—and their tremendous fortitude. Illustrations depict a pale, red-haired librarian, nearly always smiling despite the obstacles that nature puts in her path. Light and shadow are used effectively to convey Mother Earth's shifting moods... Educational and inspiring." -Kirkus Reviews Books by Horseback is a breathtaking adventure of a heroic Pack Horse Librarian who braves the harsh terrain of rural Kentucky to bring books to children who need them. Deep into Appalachia, during the Great Depression food, education, and opportunities were scarce. Kentucky had fallen behind its neighboring states in electricity and highways, and the folks who lived in the craggy, mountainous region were struggling to survive. But courageous librarians were up to the challenge! Edith, a young Pack Horse Librarian, and her faithful horse Dan, adventure through rough terrain and a pending storm in order to deliver books to kids who desperately need them in this richly illustrated tale. Edith, like all Pack Horse Librarians, heroically risked their own safety to serve the most vulnerable members of their community. Librarians like Edith helped an entire generation learn to read and gain lifesaving knowledge in a critical time in history. *The Silence of Scheherazade Oct 21 2019* Set in the ancient city of Smyrna, this historical novel follows the intertwining fates of four families as their peaceful city is ripped apart by the dissolution of the Ottoman Empire.

*Costos para gerenciar organizaciones manufactureras, comerciales y de servicios 2a Ed Sep 24 2022* Ofreciendo un mayor espacio de estudio y análisis a las empresas comerciales y de servicios, las de mayor auge, esta segunda edición actualizada y aumentada, brinda al lector herramientas para el desarrollo de habilidades en la toma de decisiones gerenciales y para el control de gestión. A partir de una fundamentación conceptual sólida y acompañado con una amplia gama de ejercicios, basados en casos vigentes del sector empresarial, el texto aborda temas como clasificación de costos, relación costo-volumen-utilidad, toma de decisiones a corto plazo, gerencia estratégica de costos y evaluación, teoría de restricciones y fijación de precios de transferencia interna, entre otros. Además, se encuentra enfocado al proceso de enseñanza-aprendizaje de carreras afines al área económica, contable y administrativa y sirve como guía de consulta de profesionales que quieran profundizar en este campo de la administración.

*Revenge of the Translator Jan 24 2020* The work of a novelist and translator collide in this visionary and hilarious debut from acclaimed French writer Brice Matthieussent. *Revenge of the Translator* follows Trad, who is translating a mysterious author's book, *Translator's Revenge*, from English to French. The book opens as a series of footnotes from Trad, as he justifies changes he makes. As the novel progresses, Trad begins to take over the writing, methodically breaking down the work of the original writer and changing the course of the text. The lines between reality and fiction start to blur as Trad's world overlaps with the characters in *Translator's Revenge*, who seem to grow more and more independent of Trad's increasingly deranged struggle to control the plot. *Revenge of the Translator* is a brilliant, rule-defying exploration of literature, the act of writing and translating, and the often complicated relationship between authors and their translators.

*My Friend the Enemy Dec 15 2021* One night in 1941, the war comes to Peter when a German plane crashes into woods near where he lives. Peter rushes to the crash hoping to find something exciting to keep.

But what he finds instead is someone: a young and injured German airman in need of his help.

*Metagenomics and Microbial Ecology Mar 26 2020* Microorganisms comprise the greatest genetic diversity in the natural ecosystem, and characterization of these microbes is an essential step towards discovering novel products or understanding complex biological mechanisms. The advancement of metagenomics coupled with the introduction of high-throughput, cost-effective NGS technology has expanded the possibilities of microbial research in various biological systems. In addition to traditional culture and biochemical characteristics, omics approaches (metagenomics, metaproteomics, and metatranscriptomics) are useful for analyzing complete microbial communities and their functional attributes in various environments. *Metagenomics and Microbial Ecology: Techniques and Applications* explores the most recent advances in metagenomics research in the landscape of next-generation sequencing technologies. This book also describes how advances in sequencing technologies are used to study invisible microbes as well as the relationships between microorganisms in their respective environments. Features: Covers a wide range of concepts, investigations, and technological advancement in metagenomics at the global level. Highlights the novel and recent approaches to analyze microbial diversity and its functional attributes. Features a range of chapters that present an introduction to the field and functional insight into various ecosystems.

*A Musical Offering Nov 02 2020* Tracing a circular course that echoes Bach's *Goldberg Variations*, Luis Sagasti's second book to appear in English takes the guise of a musical scheherazade, recounting story after story, vibrating to celestial harmonies. From the music born of the sun to the music sent into space on the Voyager mission, from Rotherko to rock music, from the composers of the concentration camps to a weeping room for Argentinian conscripts in the Falklands, *A Musical Offering* traverses the shifting sands of fiction and history.

*The Book of Secrets May 28 2020* In 1988, a retired schoolteacher named Pius Fernandes receives an old diary found in the back room of an East African shop. Written in 1913 by a British colonial administrator, the diary captivates Fernandes, who begins to research the coded history he encounters in its terse, laconic entries. What he uncovers is a story of forbidden liaisons and simmering vengeance, family secrets and cultural exiles—a story that leads him on an investigative journey through his own past and Africa's.

*Global Tuberculosis Report 2019 Aug 19 2019* WHO has published a global TB report every year since 1997. The main aim of the report is to provide a comprehensive and up-to-date assessment of the TB epidemic, and of progress in prevention, diagnosis and treatment of the disease, at global, regional and country levels. This is done in the context of recommended global TB strategies and targets endorsed by WHO's Member States, broader development goals set by the United Nations (UN) and targets set in the political declaration at the first UN high-level meeting on TB (held in September 2018). The 2019 edition of the global TB report was released on 17 October 2019. The data in this report are updated annually. Please note that direct comparisons between estimates of TB disease burden in the latest report and previous reports are not appropriate. The most recent time-series of estimates are published in the 2019 global TB report.

*The Last Protector (James Marwood & Cat Lovett, Book 4) Mar 18 2022* From the No. 1 Sunday Times bestselling author of *The Ashes of London* comes the next book in the phenomenally successful series following James Marwood and Cat Lovett.

*Empty Wardrobes Jun 28 2020* A previously untranslated classic of Portuguese feminist literature originally published in 1978, Carvalho's *Empty Wardrobes* introduces English-speaking readers to a forgotten and underappreciated woman writer a la recent publishing sensations Lucia Berlin, Natalia Ginzburg, Ingeborg Bachmann, Silvina Ocampo, and Armonia Somers. *Empty Wardrobes* is a tightly plotted, highly entertaining read, that, thanks to an ingenious detached narrative technique (one that makes the plot all the more fun to revisit and rethink), is both darkly humorous and devastatingly true.

*Minesweeper (Special Forces, Book 2) Jul 10 2021* "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the *World War II* series *Discover the secret missions behind America's greatest conflicts.* Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. *National Book Award finalist Chris Lynch* continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

*Chromosomal Variation in Man Nov 21 2019* Over 1500 entries to literature (mostly English-language journal articles). Sources were Current contents, various genetics journals, *Excerpta medica*, and *Index medicus*. Entries arranged under sections titled *Structural variations and anomalies*, *Numerical anomalies*, and *Chromosomal breakage syndromes*. Author, selected syndrome index.

*The Tea-planter's Daughter Oct 01 2020* Oday is Julia Clockhouse's twenty-fifth birthday. Her long-suffering Hindu servants are frantically trying to organise a party for her, but it's hard to do so amid the havoc wreaked by her wild spirit. They think she is possessed. Daughters of colonial tea-planters shouldn't have souls that escape their bodies, move objects with their minds, hear tongueless yogis speak. Julia Clockhouse does. As the day passes and the chaos mounts in the kitchen, Julia listens desperately for the return of her husband. Ben may have married her on the orders of her domineering father, but he had come to love her; together they had found the happiness they missed in childhood. But by the time the party guests are tumbling in from the rising fury of the monsoon Ben has still not come.

*Academic Social Responsibility Aug 23 2022* The book *Academic Social Responsibility - Sine Qua Non for Corporate Social Performance* is our endeavor to disseminate the awareness of the significance of responsible (especially management) education not only for academic stakeholders, but for the whole society. It is an interesting combination of theories, studies, recognitions, and experiences gained by authors from different countries, institutions, who function in various institutional and cultural conditions. The book is divided into "Introduction" and three parts: "Towards the Socially Responsible University", "Socially Responsible Education for Enterprise Development", "Human Voice in Responsible Management Education". The authors present fresh concepts for socially responsible university, their impact on real business performance as well as discussions on specific issues when implementing academic social responsibility in practice.

*Love, Theodosia Jul 30 2020* A Romeo & Juliet tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father--Senator Aaron Burr, who is determined to win the office of president in the pivotal election of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It's also a heartbreking romance of two star-crossed lovers, an achingly bittersweet "what if." Despite their fathers' bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

*Book of Abstracts of the 67th Annual Meeting of the European Federation of Animal Science Dec 23 2019* This Book of Abstracts is the main publication of the 67th Annual Meeting of the European Association for Animal Production (EAAP). It contains abstracts of the invited papers and contributed presentations of the sessions of EAAP's nine Commissions: Animal Genetics, Animal Nutrition, Animal Management and Health, Animal Physiology, Cattle Production, Sheep and Goat Production, Pig Production, Horse Production and Livestock Farming Systems.

*MATI-TEC Apr 26 2020* MATI-TEC es un proyecto que ha contado con el apoyo de Fundación Telefónica, desarrollado por el Instituto Tecnológico y de Estudios Superiores de Monterrey, con el objetivo de mejorar las competencias matemáticas, lectoescritoras y tecnológicas de estudiantes de Educación Básica en México. MATI-TEC es una aplicación móvil adaptativa a versiones online y offline, que presta apoyo al proceso de enseñanza-aprendizaje y que se utiliza dentro y fuera de las clases, dando seguimiento y registro puntual a la participación de los estudiantes. En ella además de los alumnos, también están presentes profesores, familias y directivos de las escuelas beneficiadas, en un proceso de formación integral, en el que cada estación resulta fundamental para los logros alcanzados.

*Introduction to Management Accounting, Chap. 1-14 Sep 12 2021* Make the right decisions with Horngren/Sundem/Stratton! Horngren/Sundem/Stratton's best-selling texts emphasize decision-making throughout each chapter. Decision-making is introduced in the early text chapters and also appears in many of the text features: "Making Managerial Decisions" boxes, critical thinking exercises, and more. As always, students develop a solid understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. Two text versions enable faculty to select a text

that only covers management accounting concepts (Chs. 1-14) or one that includes three chapters of financial accounting review (Chs. 1-17). New OneKey provides the convenience of having all text resources in a single location and available in your choice of course management platform: BlackBoard, WebCT, and CourseCompass. OneKey also includes PH Grade Assist on-line homework with automatic grading and infinite practice for students).

**Bibliographic Guide to Latin American Studies May 20 2022**

**Ramifications Jul 18 2019** The memories we return to most frequently are the most inaccurate, the least faithful to reality... This is the tragic realisation made by the narrator of *Ramifications* as he tries to make sense of the defining event of his childhood: the disappearance of his mother to join the Zapatista uprising that shook Mexico in 1994. Left behind with an emotionally distant father who is singularly unqualified to raise him, and an older sister who only wants to get on with being a teenager, he takes refuge in strange rituals that isolate him from his peers: favouring the left-hand side of his body, trying to tear leaves into perfect halves, obsessively shaping origami figures. Now, two decades older and withdrawn from the world, he folds and unfolds these memories, searching the creases for the truth of what happened to his mother, unaware that he is on the verge of a discovery that will destroy everything he believed he knew about his family. Award-winning Mexican author Daniel Saldaña Paris masterfully evokes a child's attempts to interpret events beyond his understanding. Less a Bildungsroman than a tale of arrested development, this story of a boy growing up in the aptly-named Educación neighbourhood of Mexico City is a rich and moving portrait of a life thwarted by machismo and secrecy.

**Unconventional Warfare (Special Forces, Book 1) Jun 21 2022** Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. **Gestión de costos en salud Feb 23 2020** Expone el desarrollo de la contabilidad como sistema de información, el rol del gerente o administrador de la entidad de salud, metodología para calcular los costos de salud y planificación con el fin de obtener los mejores resultados en gestión clínica, calidad asistencial y el beneficio por encima de todo del paciente. En esta segunda edición el autor aborda la compleja evolución, desde la perspectiva del cambio en el proceso administrativo y económico-financiero de los sistemas de salud y la gestión de los hospitales y lo convierte en un ejercicio de mejora permanente de los procesos, en función de obtener la mejor información posible, tendiente al buen uso de los recursos lo que se refleja en la efectividad de las intervenciones y la calidad de atención, objetivos centrales que debe perseguir, hoy por hoy, cualquier institución de salud moderna.

**Poems from the Edge of Extinction Dec 03 2020** Gold Medal Winner for Poetry and Special Honours Award for Best of Anthology at the 2020 Nautilus Book Awards. One language is falling silent every two weeks. Half of the 7,000 languages spoken in the world today will be lost by the end of this century. With the loss of these languages, we also lose the unique poetic traditions of their speakers and writers. Poems from the Edge of Extinction gathers together 50 poems in languages from around the world that have been identified as endangered; it is a celebration of our linguistic diversity and a reminder of our commonalities and the fundamental role verbal art plays in human life around the world. With poems by influential, award-winning poets such as US poet laureate Joy Harjo, Hawad, Valzhyna Mort, and Jackie Kay, this anthology offers a unique insight into both languages and poetry, taking the reader on an emotional, life-affirming journey into the culture of these beautiful languages. Each poem appears in its original form, alongside an English translation, and is accompanied by a commentary about the language, the poet and the poem - in a vibrant celebration of life, diversity, language, and the enduring power of poetry. This timely collection is passionately edited by widely published poet and UK National Poetry Librarian, Chris McCabe, who is also the founder of the Endangered Poetry Project, a major project launched by London's Southbank Centre to collect poetry in the world's disappearing languages, and introduced by Dr Mandana Seyfeddinipur, Director of the Endangered Languages Documentation Programme and the Endangered Languages Archive at SOAS University of London, and Dr Martin Orwin, Senior Lecturer in Somali and Amharic, SOAS University of London. Languages included in the book: Assyrian; Belarusian; Chimini; Irish Gaelic; Maori; Navajo; Patua; Rotuman; Saami; Scottish Gaelic; Welsh; Yiddish; Zoque. Poets included in the book: Joy Harjo; Hawad; Jackie Kay; Aurélie Lassaque; Nineb Lamassu; Gearóid Mac Lochlainn; Valzhyna Mort; Laura Tohe; Taniel Varoujan; Avrom Sutzkever.

**Costos para gerenciar servicios de salud 3a. Además, se incluye un nuevo capítulo especialmente dedicado al tema Outsourcing, así como ejemplos y ejercicios que, sin lugar a dudas, serán de gran ayuda para el proceso de toma de decisiones contable-financieras en las organizaciones dedicadas a la prestación de servicios de salud.

**Love Aug 31 2020 WINNER OF THE 2019 PEN TRANSLATION PRIZE FINALIST FOR THE NATIONAL BOOK AWARD FOR TRANSLATED LITERATURE** A mother and son move to a village in northern Norway, each ensconced in their own world. Their distance has fatal consequences. Love is the story of Vibeke and Jon, a mother and son who have just moved to a small place in the north of Norway. It's the day before Jon's birthday, and a travelling carnival has come to the village. Jon goes out to sell lottery tickets for his sports club, and Vibeke is going to the library. From here on we follow the two individuals on their separate journeys through a cold winter's night - while a sense of uneasiness grows. Love illustrates how language builds its own reality, and thus how mother and son can live in completely separate worlds. This distance is found not only between human beings, but also within each individual. This novel shows how such distance may have fatal consequences.

**The Book of Night Women Mar 06 2021** By the Man Booker-winning author Marlon James, this is the powerful story of Liliith, born into slavery on a Jamaican sugar plantation at the end of the eighteenth century. Even at her birth, the Night Women - a clandestine council of fierce slaves plotting an island-wide revolt - recognize a dark force in her that they treat with both reverence and fear. But as Liliith comes of age and begins to understand her own feelings and identity, she dares to push at the edges of what is imaginable for the life of a slave woman. And as rebellions simmer and unspoken jealousies intensify, Liliith's powers and sense of purpose threaten not just her own destiny, but the destinies of all the slave women in Jamaica.

**Converso Non-Conformism in Early Modern Spain Feb 05 2021** This book examines the effects of Jewish conversions to Christianity in late medieval Spanish society. Ingram focuses on these converts and their descendants (known as conversos) not as Judaizers, but as Christian humanists, mystics and evangelists, who attempt to create a new society based on quietist religious practice, merit, and toleration. His narrative takes the reader on a journey from the late fourteenth-century conversions and the first blood purity laws (designed to marginalize conversos), through the early sixteenth-century Erasmian and radical mystical movements, to a Counter-Reformation environment in which conversos become the advocates for pacifism and concordance. His account ends at the court of Philip IV, where growing intolerance towards Madrid's converso courtiers is subtly attacked by Spain's greatest painter, Diego Velázquez, in his work, *Los Borrachos*. Finally, Ingram examines the historiography of early modern Spain, in which he argues the converso reform phenomenon continues to be underexplored.
