Hunting Zero (An Agent Zero Spy Thriller—Book #3) Jun 18 2021 “You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel.” --Roberto Mattos, Books and Movie Reviews In HUNTING ZERO (Book #3), when CIA operative

Agent Zero finds out his two teenage girls have been kidnapped and are bound for a trafficking ring in Eastern Europe, he embarks on a high-octane chase across Europe, leaving a trail of devastation in his wake as he breaks all rules, risks his own life, and does everything he can to get his daughters back. Kent, ordered by the CIA to stand down, refuses. Without the backing of the agency, with moles and assassins on all sides, with a lover he can barely trust, and being targeted himself, Agent Zero must fight multiple foes to get his girls back. Up against

the most deadly trafficking ring in Europe, with political connections reaching all the way to the top, it is an unlikely battle—one man against an army—and one that only Agent Zero can wage. And yet, his own identity, he realizes, may be the most perilous secret of all. A Loyal Spy Feb 01 2020 WINNER OF THE IAN FLEMING STEEL DAGGER AWARD 2010 FOR BEST THRILLER OF THE YEAR! The last time Jonah saw Nor ed-Din, he was lying face down in a pool of black water in the Khyber Pass. For many years, Jonah had been under the impression that he'd killed him there. How far can loyalty be stretched before it reaches a limit? Millions of lives depend on the answer, as a twisting road of betrayal and revenge leads from the mountains of Afghanistan to the heart of London ...and a ticking bomb. **A Spy Among Friends** Aug 28 2019 "Reads like a story by Graham Greene, Ian Fleming,

or John le Carré, leavened with a dollop of P.G. Wodehouse . . . [Macintyre] takes a fresh look at the grandest espionage drama of our era." —New York Times Book Review Master storyteller Ben Macintyre's thrillingly ambitious *A Spy Among Friends* tackles the greatest spy story of all: the rise and fall of Kim Philby, MI6's Cambridge-bred golden boy who used his perch high in the intelligence world to betray friend and country to the Soviet Union for over two decades. In Macintyre's telling, Philby's story is not a tale of one spy, but of three: the story of his complex friendships with fellow Englishman operative Nicholas Elliott and with the American James Jesus Angleton, who became one of the most powerful men in the CIA. These men came up together, shared the same background, went to the same schools and clubs, and served the same cause—or so Elliott and Angleton thought. In reality, Philby was channeling all of their confidences directly to his Soviet handlers, sinking almost every great Anglo-American spy operation for twenty years. Even as the web of suspicion closed around him, and Philby was driven to greater lies and obfuscations to protect his secret, Angleton and Elliott never abandoned him. When Philby's true master was finally revealed with his defection to Moscow in 1963, it would have profound and devastating consequences on these men who thought they knew him best, and the intelligence services they helped to build. This remarkable story, told

with heart-pounding suspense and keen psychological insight, and based on personal papers and never-before-seen British intelligence files, is a high-water mark in Cold War history telling.

The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly

wait for the sequel.” --Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target—and of the beautiful woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists—and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on his tail, the wild game of cat and mouse leads Kent on a perilous road—one that may lead back to Langley—and to a shocking discovery of his own identity. Codename Zero Aug 09 2020 From Chris Rylander, author of the breakout hit Fourth Stall saga, comes an incredibly funny and clever mash-up of

middle grade school story and spy adventure. There are places in the world where heroes are born. There are places where brave men and women fight a never-ending battle against evil in order to keep our country and all other countries safe. There are places where the fate of our planet is being decided, even at this very moment, the consequences of which will echo through history. None of these places is in North Dakota. Carson Fender, seventh grader and notorious prankster, knows this. He's lived in North Dakota for his entire life, going to the same boring school every day, the same boring movie theater every week, the same boring state fair every year. Nothing ever changes, and nothing ever happens. That is, until today. Because today a desperate man hands him a package with a dire set of instructions. And that package is going to lead Carson to discover that there's a secret government agency operating in his small, quiet North Dakota hometown. And that this agency needs his help.

The Quantum Spy Oct 30 2019 "The Quantum Spy takes us to a whole new level of intrigue and espionage. It's also unbelievably timely. In short: David Ignatius knows his stuff." —Wolf Blitzer A hyper-fast quantum computer is the digital equivalent of a nuclear bomb; whoever possesses one will be able to shred any encryption and break any code in existence. The question is: who will build one first, the U.S. or China? In this gripping thriller, U.S. quantum research

labs are compromised by a suspected Chinese informant, inciting a mole hunt of history-altering proportions. CIA officer Harris Chang leads the charge, pursuing his target from Singapore to Mexico and beyond. Do the leaks expose real secrets, or are they false trails meant to deceive the Chinese? The answer forces Chang to question everything he thought he knew about loyalty, morality, and the primacy of truth.

An Officer and a Spy Jul 28 2019 De commandant van de Franse geheime dienst, Georges Picquart, vertelt hoe hij na de veroordeling wegens spionage van de joodse officier Alfred Dreyfus in 1895 ontdekt dat de echte spion iemand anders moet zijn geweest en dat Dreyfus dus ten onrechte een levenslange gevangenisstraf uitzit.

The Cuckoo's Egg Sep 21 2021 The first true account of computer espionage tells of a year-long single-handed hunt for a computer thief who sold information from American computer files to Soviet intelligence agents

Eye Spy May 06 2020 In this new series, set in the bestselling world of Valdemar, Heralds Mags and Amily must continue to protect the realm of Valdemar while raising their children and preparing them to follow in their footsteps. Mags, Herald Spy of Valdemar, and his wife, Amily, the King's Own Herald, are happily married with three kids. The oldest, Peregrine, has the Gift of Animal Mindspeech—he can talk to animals and persuade them to act as he wishes.

Perry's dream is to follow in his father's footsteps as a Herald Spy, but he has yet to be Chosen by a Companion. Mags is more than happy to teach Perry all he knows. He regularly trains his children, including Perry, with tests and exercises, preparing them for the complicated and dangerous lives they will likely lead. Perry has already held positions in the Royal Palace as a runner and in the kitchen, useful places where he can learn to listen and collect information. But there is growing rural unrest in a community on the border of Valdemar. A report filled with tales of strange disappearances and missing peddlers is sent to Haven by a Herald from the Pelagirs. To let Perry experience life away from home and out in the world, Mags proposes that his son accompany him on an expedition to discover what is really going on. During their travels, Perry's Animal Mindspeech allows him to communicate with the local wildlife of the Pelagirs, whose connection to the land aids in their investigation. But the details he gleans from the creatures only deepen the mystery. As Perry, Mags, and their animal companions draw closer to the heart of the danger, they must discover the truth behind the disappearances at the border—before those disappearances turn deadly.

File Zero (An Agent Zero Spy Thriller-Book #5) Jun 06 2020 ""You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully
