Broken Links, Enduring Ties May 17 2021 Family-making in America is in a state of flux—the ways people compose their families is changing, including those who choose to adopt. Broken Links, Enduring Ties is a groundbreaking comparative investigation of transnational and interracial adoptions in America. Linda Seligmann uncovers the impact of these adoptions over the last twenty years on the ideologies and cultural assumptions that Americans hold about families and how they are constituted. Seligmann explores whether or not new kinds of families and communities are emerging as a result of these adoptions, providing a compelling narrative on how adoptive families thrive and struggle to create lasting ties. Seligmann observed and interviewed numerous adoptive parents and children, non-adoptive families, religious figures, teachers and administrators, and adoption brokers. The book uncovers that adoption—once wholly stigmatized—is now often embraced either as a romanticized mission of rescue or, conversely, as simply one among multiple ways to make a family.

Getting It Right the First Time Sep 08 2020 A healthy marriage is the result of much more than a stroke of good fortune, the accidental meeting of two "soul mates," or a conscious commitment to stay together no matter what. Studies have found that romantic, passionate love is often just a memory by the wedding, or within the first year of marriage. Creating an intimate, satisfying, and stable marriage is by no means easy or guaranteed--it requires thought, communication, planning, and true commitment to each other (though luck and compatibility never hurt). The window of opportunity in which to build the foundation for such a relationship is narrow, and does not often last too long after the first two years of a marriage. *Getting it Right the First Time* provides the information every couple needs to know to understand what really makes a marriage work. Husband and wife team, Barry and Emily McCarthy share clear, helpful guidelines for creating a healthy marriage and reveal the strategies, skills, and attitudes that can help prevent disappointment, resentment, and alienation from entering the relationship. Ask any happily married couple whether the time and effort spent in creating a healthy marriage has been worth it, and you should get a universal answer. *Getting it Right the First Time* can make getting there a little easier.

Robert Deveraux despises Danielle for giving away their children, selling them off like unwanted property, only to discover an awful truth about lies, deceit, and the redemption his mother is desperately seeking. The Refuge Aug 27 2019 Sara Franklin is seventeen and, at first glance, seems to have everything. She is beautiful, she is rich, and she is adored by her father. But she is also spoiled and willful and arrogant. And she is pregnant. Her Daddy must NOT know—nor her hateful new stepmother, Caroline! The election is fast approaching and she can only imagine what the media would do with this piece of news. She must make some sort of decision, and do it quickly, for Caroline has already made arrangements to send her back to Miss Priscilla's Academy for Girls and she certainly can't arrive there in her condition. Sara remembers the girls at that dreadful academy speaking of abortion, and how it is "quick and easy" and that "everybody is doing it these days!" She thought it sounded barbaric at the time, but now it would appear that it is her only option. As the taxi pulls to a stop, she sees a sordid building before her and the decrepit sign that reads: The Women's Clinic of Abortion. She shudders with dread, then reaches for her purse. At that moment she notices a discarded magazine on the seat beside her. The picture of a great white house

catches her eye, the headline above proclaiming it as THE REFUGE: A Christian Alternative to Abortion. “Hey, Miss! You gettin’ out?” But she is busily scanning the caption under that wonderful picture. “...a beautifully rambling old home where women can find Christian direction, warm understanding, and medical care during an unplanned pregnancy.” Sara glances again at the unkempt street outside her window and slowly shakes her head. “No,” she answers with sudden determination. “No, I... I’ve changed my mind.”

Baby Boat Jun 25 2019 The Baby Boat resonates with the joys and sorrows adoptive parents face. With dry humor and a quietly beautiful literary style, Patty Dann recounts the hurdles she and her husband encountered at every step during their journey to adopt a baby, from the endless waiting, through the heartbreaking loss of the infant girl who might have been their adoptive daughter, to their flight home from Lithuania with their son in their arms. As much an affecting love story as the poignant tale of one couples struggle to adopt, The Baby Boat captures the complex and subtle emotions of an adoptive parents experience.

The End of International Adoption? Feb 23 2022 Since 2004, the number of international adoptions in the United States has declined by more than seventy percent. In *The End of International Adoption?* Estye Fenton studies parents in the United States who adopted internationally in the past decade during this shift. She investigates the experiences of a cohort of adoptive mothers who were forced to negotiate their desire to be parents in the context of a growing societal awareness of international adoption as a flawed reproductive marketplace. Many parents, activists, and scholars have questioned whether the inequality inherent in international adoption renders the entire system suspect. In the face of such concerns, international adoption has not only become more difficult, but also more politically and ethically fraught. The mothers interviewed for this book found themselves navigating contemporary American family life in an unexpected way, caught between the double-bind of work-family life and a new paradigm of thinking about the method—international adoption—that they used to create those families.

Dani's Story Oct 02 2022 The story that captivated a nation?how a horribly neglected little girl was rescued by her loving adoptive parents In July 2005, a six-year-old girl named Danielle was removed from her Florida home after authorities found her living in bug-ridden squalor, subjected to

horrific neglect and so damaged by her own mother that recovery seemed hopeless. But hope was waiting for Dani and help. In October 2007, Bernie and Diane Lierow, a hard-working couple with five boys of their own, adopted her and utterly transformed her life. This book tells the moving story of how the Lierows rescued Dani and helped her recover to the point where she can not only communicate, something once thought impossible, but can say of herself, "I pretty." Dani's story was featured on Oprah and the subject of a Pulitzer Prize-winning article published by the St. Petersburg Times. The Lierows describe their struggle to adopt Dani, how they bonded with her and made a home for her, how they satisfied her craving for contact and stimuli, how Dani began to overcome her severe learning disabilities, how she learned she no longer had to steal food, and how their son Willie may be the greatest brother ever. For readers who enjoyed *Mistaken Identity: Two Families, One Survivor*, *Unwavering Hope*; *Hope's Boy*; and *Sickened: The True Story of a Lost Childhood* Charting a perilous journey from hardship to hope, a new family, and a second chance at life, *Dani's Story* is a book you cannot put down and will never forget.

Adopting the Father's Heart Jul 19 2021 Adopting the Father's Heart is a vulnerable and challenging look into God's call to orphan care through one couple's experience with adoption. How did they start the process? What were the challenges and the rewards? Their story informs, convicts, and inspires others to care for the orphans in our communities. "As a pastor who is trying to lead my church into ministry in the foster/adopt world, I am thrilled to have Kenny Camp's book "Adopting the Father's Heart" as a resource...I'll make it required reading for both staff and volunteers who work in our foster/adopt ministry."
