People Smarts - Behavioral Profiles, Participants Workbook Jul 27 2019 This exciting line of learning tools helps you improve communication in any group or organization. Every individual has a unique personality, but many behaviors can be understood within a systematic, predictable framework. The People Smarts package will train participants to identify colleagues' behavioral patterns so they can work in harmony. This simple, easy-to-understand method helps you: get results from interactions with colleagues express your wants and needs clearly -- and recognize the needs of others improve collaborative efforts by learning to adapt to others' styles understand your co-workers, bosses, and subordinates through a systematic, effective method anyone can learn. The Self- and Observer Assessments help your employees define their own styles. The Self-Assessment determines how a person believes he/she interacts with others. The Observer Assessment provides a picture of how others perceive an individual's interactions. Used together, these instruments provide valuable information for personal growth. Participants can recognize differences between the way they think they are perceived and the way they are actually perceived by others. This evaluation provides tangible goals for improving versatility and enhancing relationships. Use the Scoring Matrix with the Self-Assessment, the Observer Assessment, or both to get a visual representation of individuals' styles. The Scoring Matrix includes comprehensive descriptions of styles and substyles, plus advice for achieving balance. The Reminder Card is an instant reference to the four behavioral styles identified in the program, with guides to recognizing and dealing with each. The Participant Workbook focuses on application of the People Smarts principles. Participants learn how to use verbal and visual clues to identify another person's style and adapt their own behavior to make relationships more successful. This workbook is also a great self-study tool. Filled with humorous examples that teach valuable principles, the People Smarts book introduces the simple but powerful business relationship concept on which the People Smarts program is based: treat other people the way they want to be treated. Streamline your preparation and save! Purchase one Participant's Package for each participant in your program and get everything you need to improve communication today!

Vision, Goals & Self Evaluation Aug 08 2020 "I believe that each person has a unique set of talents, abilities, and gifts that when developed and nourished, allow us to achieve our full potential." - Danny Ballard This workbook is designed to help you get clear about who you are, how you show up in the world, and the steps you choose to take to live the life you really want. In order to live the life you want with fulfillment and purpose, you must have a vision. A vision is a plan, a mission, and a direction for life. It is seen in your mind in vivid detail and your subconscious mind works endlessly to achieve the desired result... The purpose of this workbook is to help you uncover the vision you have for your life and support you in coming up with practical steps that you can take to achieve your dreams and goals.

Fund-Raising Cost Effectiveness Dec 24 2021 What is a reasonable cost for your fund-raising activities? How much of your gift income goes to programs and services, and how much goes to fund-raising costs? Which fund-raising methods are the most cost-effective for your organization? Decreased government support and increased competition between not-for-profit organizations make it essential that you be able to address these questions. But in the absence of national standards or guidelines for measuring the performance of charitable solicitations, how do you find consistent and reliable answers? Fund-Raising Cost Effectiveness provides the tools you need to measure the efficiency and effectiveness of most commonly used fund-raising methods. Leading national fund raiser Jim Greenfield introduces his unique Nine-Point Performance Index and shows you how to use it. He combines clear, detailed explanations of critical cost-effectiveness issues with an array of self-assessment tools. He also supplies: Techniques for evaluating the cost-effectiveness of each fund-raising method—direct mail, benefit events, capital campaigns, membership, donor clubs, planned giving and more—and the overall fund development program A proven methodology for setting performance standards and forecasting results Dozens of valuable self-assessment checklists and worksheets Case studies that show you how the tools and techniques work Easy-to-use spreadsheet templates and worksheets on an IBM-compatible disk How cost-effective is your fund raising? This workbook provides everything you need to answer that question for yourself, your board, and your boss—and for the giving public.

Stand Out Apr 15 2021 Set the agenda. Be the go-to person - become a thought leader. If you're a professional in the 21st century, the rules have changed. Being a hard worker is no longer enough. Now it's the thought leaders who are at the top: the agenda-setters with unique, compelling ideas that inspire others to listen and take action and extraordinary followings. But becoming a thought leader is a mysterious and opaque process. Where do their ideas come from? How do they get noticed? Can you control the process at all? Dorie Clark is here to demystify the development of thought leadership. Through vivid case examples and concrete specific steps, she shows how anyone can develop thought-leading ideas and promote them effectively. Drawing on interviews with Daniel Goleman, Seth Godin and Robert Cialdini, she teaches you how to develop a big idea, find your niche, leverage relationships and build a community of followers. She teaches you how to Stand Out. Dorie Clark, author of *Reinventing You* is a marketing and strategy consultant, with clients including Google, the World Bank, Microsoft, and Morgan Stanley. She frequently writes for the Harvard Business Review and Forbes, is recognized as a branding expert by the Associated Press and Fortune, and was shortlisted for the Thinkers50 Future Thinker Award 2013. She is an adjunct professor of business administration at Duke University's Fuqua School of Business.

The Five Most Important Questions Self Assessment Tool Jun 29 2022 This transformational tool offers leaders a critical resource for better understanding their organizations and themselves, honing their skills to become accomplished long-range planners and strategic thinkers. By working through the Participant Workbook, leaders will gain the insight needed to plan for results, learn from customers and clients, and ascertain how to achieve extraordinary levels of performance. The Participant Workbook draws on Peter F. Drucker's The Five Most Important Questions and is grounded in his management philosophies that address the critical aspects that make organizations viable and valuable entities. When leaders answer these questions thoughtfully and address them with purpose, these questions take one down a path to organizational transformation and enlightenment. By leveraging these essential questions, the Participant Workbook challenges leaders to take a close look at the very heart of their organization and what drives it, giving them a means to assess: how to be and how to develop quality, character, mind-set, values, and courage. Drucker's The Five Most Important Questions lead to spirited discussions and action, inspiring positive change and renewed focus. Designed for today's busy professionals, this concise, clear, and accessible workbook for social sector, nonprofit, and socially minded business and government leaders can be used as preparation for a workshop, organizational self-assessment, or as a stand-alone leadership development tool for individuals looking to develop themselves and their organizations. Praise for the Participant Workbook Self-Assessment Tool "Time and again Drucker's The Five Most Important Questions have proven to be the most effective way for nonprofit organizations to conduct self-assessment and develop plans that will help them achieve real and lasting results." —Cathey Brown, founder and CEO, Rainbow Days, Inc., and 2001 Frances Hesselbein Community Innovation Fellow "The Five Most Important Questions Self-Assessment Tool is a gift to the social leadership sector from the late management guru, Peter Drucker, and the Leader to Leader Institute.
