Journal of the Royal Society of Antiquaries of Ireland Oct 29 2019 Index of archaeological papers published in 1891, under the direction of the Congress of Archaeological Societies in union with the Society of Antiquaries.

The Crowe Memorandum Sep 08 2020 As we approach the 100th anniversary of the outbreak of the First World War, students of history will revisit the causes, conduct and aftermath of the war. In each of these, Sir Eyre Crowe played a very significant role. Yet, outside academic and diplomatic circles, his name is little known. An “outsider” in the Foreign Office, he neither attended an English public school nor university. He was born and educated in Germany. Yet he rose because of his unique expertise to be the Permanent Under-Secretary from 1920 until his death in 1925, during which time he worked, not always amicably, with prime ministers and foreign secretaries such as Lloyd George, Curzon, Ramsay Macdonald and Austen Chamberlain. On his death, Stanley Baldwin called him “our ablest public servant.” Eyre Crowe was a participant in events that led to the 1914–1918 war, was one of the main organisers of the blockade of Germany, helped to end the Ruhr crisis of 1923–24, and played a major role in the acceptance of the Dawes Plan at the 1924 London Conference. Shortly before he died, he persuaded a sceptical Cabinet to accept a policy that culminated in the Locarno Pact. Yet, Crowe played a strange role at the Paris Peace Conference of 1919. Britain’s most knowledgeable expert on Germany, he was marginalised by Lloyd George prior to the signing of the Versailles Treaty, but then played a leading part as Ambassador Plenipotentiary. Crowe’s Memorandum of 1907 had a profound influence upon Foreign Office perceptions of Germany for more than forty years. The “Crowe line” on Germany was opposed by Neville Chamberlain and the British Ambassador in Berlin, Neville Henderson, prior to the Second World War. Crowe had believed that Germany was a great nation, but that Britain had made too many concessions to its government when it needed to stand firm. Foreign Office diplomats were even seen waving copies of the memorandum (by then a published document) in the faces of journalists from the pro-appeasement Times newspaper. This book focuses mainly on the 1907 Memorandum and Crowe’s career after the war, but it provides many insights into the characters, talents and failings of a number of players in this extraordinary period of history.

[Jefferson’s Memorandum Books, Volume 1](#) Feb 23 2022 Among the Second Series of The Papers of Thomas Jefferson, this volume has the most detailed coverage of his day-to-day life. These disciplined records of personal expenditures, and of various other daily observations, furnish valuable information about prices and availability of commodities of the period and provide abundant evidence of Jefferson’s devotion to a systematic way of living and of his insatiable curiosity. Originally published in 1997. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

[The Tongue and Quill](#) Feb 11 2021 The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user’s inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt The Tongue and Quill to meet the needs of today’s Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of The Tongue and Quill team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

[House documents](#) Jan 25 2022

[A+ Guide to Internal Legal Memos](#) Dec 12 2020 You must write an internal legal memo, either for school or for internal use in a law firm or other legal practice setting. This booklet can help you by showing you the complete process of writing an internal legal memo. This practical, systematic method will start with a basic discussion of the purpose of the memo and end with a final proofreading. In between that first and last step, you will learn how to write each section of an internal legal memo, section by section. These sectional breakdowns show you exactly what to include in different places within the memo. You will no longer need to guess what to write and where

to write it. By using the breakdown, the various pieces of the document will work together to create a coherent and complete memo. For the purposes of this booklet, it does not matter if you skip around and take the sections out of order. The booklet will proceed in the pattern most internal legal memos adopt: Heading Questions Presented Short Answer Facts Table of Authorities Discussion Conclusion This booklet not only helps you draft an internal legal memo, but it shows you a critical thinking process important to the practice of law. Working the sections carefully the first time will teach you the method. Then, when you must write another internal legal memo, use this booklet as a reference to help you remember what each section must include. The more you use the method, the easier it will be.

Memoirs of the Life of Charles Macklin, Esq.: Volume 2 Oct 02 2022 A 1799 two-volume account of the long life of Charles Macklin (c.1699-1797), a colourful yet controversial actor and playwright.

Writing that Works Jun 25 2019 Writing That Works is a concise, practical guide to the principles of effective writing. In this revised and updated edition, Roman and Raphaelson reveal how to improve memos, letters, reports, speeches, resumes, plans, and other business papers. Learn how to say what you want to say with less difficulty and more confidence.

Diem's Final Failure Jun 17 2021 "Catton treats the Diem government on its own terms rather than as an appendage of American policy. Focusing on the decade from Dien Bien Phu to Diem's assassination in 1963, he examines the Vietnamese leader's nation-building and reform efforts - particularly his Strategic Hamlet Program, which sought to separate guerrilla insurgents from the peasantry and build grassroots support for his regime. Catton's evaluation of the collapse of that program offers fresh insights into both Diem's limitations as a leader and the ideological and organizational weaknesses of his government, while his assessment of the evolution of Washington's relations with Saigon provides new insight into America's growing involvement in the Vietnamese civil war."

Technical Memorandum - National Advisory Committee for Aeronautics Jul 27 2019 Chiefly translations from foreign aeronautical journals.
