## **The God of Abraham, Isaac & Jacob** Jun 30 2022

The Ordeals of Isaac and Jacob May 30 2022 The biblical author had to demonstrate that the founding fathers of the model civilization-envisioned in Mosaic legislation intended as a model for emulation by other peoples and nations-were recognizably human-flawed as all humans are. One can empathize with Isaac or Jacob who are seen to be human with their faults and frailties-which one cannot do with a superhuman being. These stories illustrate dramatically there are no characters of mythic proportions, no superheroes, only normal people living in dysfunctional

families, erring, doing acts that are occasionally senseless, and often embarrassing. Yet, these same people passed on an intellectual and spiritual heritage that will ultimately find full expression in the teachings found in the remaining books of the Pentateuch. The Ordeals of Isaac and Jacob focuses on what the biblical texts are telling us-explicitly and implicitly-about these men, the world in which they lived, and how they managed to preserve the covenantal heritage left to them by Abraham. Since biblical texts are not as clear as one might imagine, scholars have struggled for two millennia to comprehend what the texts are actually stating

and attempting to convey to the reader. In re-examining these Texts, the author has consulted a wide range of commentaries and studies which approach the biblical narratives from a variety of perspectives, and offers some novel insights of his own.

*Jacob's Roughriders* Aug 28

2019 Most of the adventure written in this book, really occurred. After slavery was abolished, many Negroes joined up to fight with the Union army to help win the war over slavery. At first, they were not accepted, but later at the loss of many white soldiers, the Negroes were allowed to join the army, but only in a segregated regiment called the colored troops. After the Civil War was won, the colored calvary was born. They were called the 9th and 10th calvary of the United States Army. They fought Indians, chased outlaws, and escorted settlers across the plains. The colored calvary was given tough and dangerous assignments; but they fought magnificently and won every fight they were engaged in; with few or no casualties. The colored troops were very skillful and courageous; the Indians respected them as brave fearless warriors. They were given the name Buffalo Soldiers, because the buffalo is sacred and highly respected in the Indian Nation. Also, the Indians thought the Negroes hair was similar to the kinky, curly hair of the buffalo. The Seminole Negro Indians were the best scouts and trackers in the country, and many were drafted into the Army. It is recorded that many Negro soldiers were decorated highly for bravery, and received the Congressional Medal of Honor. In 1847, Jacob Washington was born a slave and was freed during the Emancipation

Proclamation in 1863. At the age of sixteen, Jacob left the plantation and traveled west to Texas, where he fulfilled his dream as a cowboy. Jacob got a job on the Circle (G) Ranch, working for Bill Goodman as a wrangler. Jacob changed his name to Jake, and received lots of experience. He helped push cattle northward up the Chisholm Trail into Oklahoma (Indian Territory) and on into Abilene and Dodge City, Kansas.

*The Ladder of Jacob* Apr 16 2021 Rife with incest, adultery, rape, and murder, the biblical story of Jacob and his children must have troubled ancient readers. By any standard, this was a family with problems. Jacob's oldest son Reuben is said to have slept with his father's concubine Bilhah. The next two sons, Simeon and Levi, tricked the men of a nearby city into undergoing circumcision, and then murdered all of them as revenge for the rape of their sister. Judah, the fourth son, had sexual relations with his own daughter-in-law. Meanwhile, jealous of their younger sibling Joseph, the brothers conspired to kill him; they later relented and merely sold him into slavery. These stories presented a particular challenge for ancient biblical interpreters. After all, Jacob's sons were the founders of the nation of Israel and ought to have been models of virtue. In *The Ladder of Jacob*, renowned biblical scholar James Kugel retraces the steps of ancient biblical interpreters as they struggled with such problems. Kugel reveals how they often

fixed on a little detail in the Bible's wording to "deduce" something not openly stated in the narrative. They concluded that Simeon and Levi were justified in killing all the men in a town to avenge the rape of their sister, and that Judah, who slept with his daughter-in-law, was the unfortunate victim of alcoholism. These are among the earliest examples of ancient biblical interpretation (midrash). They are found in retellings of biblical stories that appeared in the closing centuries BCE--in the Book of Jubilees, the Aramaic Levi Document, the Testaments of the Twelve Patriarchs, and other noncanonical works. Through careful analysis of these retellings, Kugel is able to reconstruct how ancient interpreters worked. *The Ladder of Jacob* is an artful, compelling account of the very beginnings of biblical interpretation.

**Climbing Jacob's Ladder** Sep 29 2019 "A compelling portrait of the relationship between a student and a teacher," this spiritual memoir "raises important questions about the meaning of Judaism and the search for spirituality in this world" (Los Angeles Times) Jewish by birth, though from a secular family, Alan Morinis explored Hinduism and Buddhism as a young man. But in 1997, in the face of personal crisis, he turned to his Jewish heritage for guidance. In his reading he happened upon a Jewish spiritual tradition called Mussar. Gradually he realized that he had stumbled upon an insightful discipline for self-development, complete with

Downloaded from [singaporeeye.com](http://singaporeeye.com) on December 5, 2022 by guest

meditative, contemplative, and other well-developed transformative practices designed to penetrate the deepest roots of the inner life. Eventually reaching the limits of what he could learn on his own, he decided to seek out a Mussar teacher. This was not an easy task, since almost the entire world of the Mussar tradition had been wiped out in the Holocaust. In time, he found an accomplished master who stood in an unbroken line of transmission of the Mussar tradition, and who lived in the center of a community of Orthodox Jews on Long Island. This book tells the story of Morinis's journey to meet his teacher and what he learned from him, revealing the central teachings and practices that are the spiritual treasury and legacy of Mussar.

**Jacob's War** Jul 08 2020 This novel for older children and teenagers highlights the panic the British nation felt in spring 1940, when Hitler's army poised for invasion only a few miles away in Calais, the RAF is stretched to the limit, and cities are bombed and burned to the ground. As the plight of children evacuated from Germany is at stake, and desperate refugees are fleeing tyranny, read of the hope and adventure of two teenage boys, one a displaced American and the other a happy-go-lucky Yorkshire lad. Based on true stories and personal accounts, this research project supported by Arts Council England finally tells the story of one of Britain's wartime secrets. When top U.S. scientist Carl Becker moves his family to

Britain in May 1940 to work on the new RADAR system, all their lives change forever. While Carl is visiting the Ministry of War, police call at his mother's house to arrest her, his wife, his ten-year-old daughter, and twelve-year-old son, Jacob, sending them to camps on the Isle of Man. All because Carl's mum was born in Germany. As Carl struggles to find them, Jacob is split from the family because he looks older. Jacob is transported with a Yorkshire boy, whose father is German, to a brutal men's internment camp on the island, where Jacob's War starts. Jacob is imprisoned with violent Nazi supporters, witnesses terrible things, and is shipped to Canada on a vessel that is torpedoed. He is shipwrecked and rescued by the U.S. Navy. While the British seem unconcerned, in America, his story goes all the way to President Roosevelt!

**The Sovereign Individual** Sep 09 2020 Two renowned investment advisors and authors of the bestseller *The Great Reckoning* bring to light both currents of disaster and the potential for prosperity and renewal in the face of radical changes in human history as we move into the next century. *The Sovereign Individual* details strategies necessary for adapting financially to the next phase of Western civilization. Few observers of the late twentieth century have their fingers so presciently on the pulse of the global political and economic realignment ushering in the new millennium as do James Dale Davidson and Lord William Rees-Mogg. Their bold

prediction of disaster on Wall Street in *Blood in the Streets* was borne out by Black Tuesday. In their ensuing bestseller, *The Great Reckoning*, published just weeks before the coup attempt against Gorbachev, they analyzed the pending collapse of the Soviet Union and foretold the civil war in Yugoslavia and other events that have proved to be among the most searing developments of the past few years. In *The Sovereign Individual*, Davidson and Rees-Mogg explore the greatest economic and political transition in centuries -- the shift from an industrial to an information-based society. This transition, which they have termed "the fourth stage of human society," will liberate individuals as never before, irrevocably altering the power of government. This outstanding book will replace false hopes and fictions with new understanding and clarified values.

[Defending Jacob](#) Oct 11 2020 NOW A MAJOR TV SERIES If your son was on trial for murder, what would you do? Andy Barber's job is to put killers behind bars. And when a boy from his son Jacob's school is found stabbed to death, Andy is doubly determined to find and prosecute the perpetrator. head what it should think and believe in. Reason bends to absurdity and custom bows to bizarre novelty. Life explodes into a sinister mess that points to only one outcome: Jacob and society's ultimate ruin.

### **The Strange Book of Jacob**

**Boyce** Sep 02 2022 A spiralling obsession. A missing wife. A terrifying secret. Will he find her before it's too late? When Dr Jacob Boyce's wife goes missing, the police put it down to a simple marital dispute. Jacob, however, fears something darker. Following her trail to Spain, he becomes convinced that Ella's disappearance is tied to a mysterious painting whose hidden geometric and numerical riddles he's been obsessively trying to solve for months. Obscure, hallucinogenic clues, and bizarre, larger-than-life characters, guide an increasingly unhinged Jacob through a nightmarish Spanish landscape to an art forger's studio in Madrid, where he comes face-to-face with a centuries-old horror, and the terrifying, mind-bending, truth about his wife.

### **Jewish Manuscript Cultures**

Dec 01 2019 Hebrew manuscripts are considered to be invaluable documents and artefacts of Jewish culture and history. Research on Hebrew manuscript culture is progressing rapidly and therefore its topics, methods and questions need to be enunciated and reflected upon. The case studies assembled in this volume explore various fields of research on Hebrew manuscripts. They show

paradigmatically the current developments concerning codicology and palaeography, book forms like the scroll and codex, scribes and their writing material, patrons, collectors and censors, manuscript and book collections, illuminations and fragments, and, last but not least, new methods of material analysis applied to manuscripts. The principal focus of this volume is the material and intellectual history of Hebrew book cultures from antiquity to the Middle Ages and Early Modern Period, its intention being to heighten and sharpen the reader's understanding of Jewish social and cultural history in general.

*Jacob's Room* Jul 28 2019 A Nonconformist Novel with No Central Character "Either we are men, or we are women. Either we are cold, or we are sentimental. Either we are young, or growing old. In any case life is but a procession of shadows, and God knows why it is that we embrace them so eagerly, and see them depart with such anguish, being shadows." - Virginia Woolf, *Jacob's Room* *Jacob's Room* is not your typical Victorian English novel. The fact that there is no real protagonist stands out the most. Jacob is not actually a character, only a collection of memories, feelings and sensations. His life is like a room seen through the eyes of other people. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope

you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it.

**Jacob's Ladder** Oct 30 2019

There are ten important questions everyone should ask; and the answers to these questions, which lead to ultimate truth, are a matter of reason, not of faith. Well-known Catholic philosopher and writer Peter Kreeft tackles each of these questions in a logical step-by-step way, like climbing the rungs of a ladder. Because questions are best answered by dialogue, Kreeft answers these fundamental questions in an imaginary conversation between two very different people who meet at the beach. Kreeft's characters begin at the beginning, at the bottom of the ladder, which is the passion for truth. When it comes to the most important questions a person can ask, no mere interest in philosophical dabbling will do. The passion for truth does not stop there, however, but carries the reader from one page to the next in this thought-provoking adventure of the mind. Among the topics, or steps, that Kreeft's characters delve into include: Do you have the passion to know? Does truth exist? What is the meaning of life? What is love, and why is it so important for our lives? If there is a God, what proof is there for his existence? Has God revealed himself to us in a personal way? And many other important questions and topics to help climb the ladder to the truth about life

### **Jacob's Story as Christian**

**Scripture** Apr 28 2022 Jacob is all too often underappreciated in works on biblical theology. He nevertheless stands squarely in the line of promise and is the man who becomes Israel. His blessings come not because he is virtuous but because God remains faithful. In this, his story contributes to the themes of Genesis and of the Pentateuch as a whole, and extends into the life of the church. *Jacob's Story as Christian Scripture* begins with a reading of Genesis 25 to 35, and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons. Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah. Prophetic appropriation of Jacob's story, presented here via a fresh investigation of OT passages from Jeremiah, Obadiah, Micah, and others, includes troubling elements of Jacob's

character to indict the nation—in the hope that God's people, like the patriarch, will stop being Jacob and become Israel.

### **The Biblical Aspect of**

**Jacob's Life** Jan 26 2022

The *Biblical Aspect of Jacob's Life* is a detailed study of the life of a wealthy and powerful Old Testament believer who is just like today Christians in many aspects, but whose life right from the start was consumed by struggles and tension, and was used by God to accomplish His plans and purpose. Written by pastors Ike and Queen Ozuome, this book offers some helpful insights into Jacob's wise and unwise actions within the biblical context and in terms of a contemporary understanding of Christian life.

◆◆ It is designed to help the Christian who is struggling in his or her walk with Christ to have a better understanding of how God interacts with His people. ◆◆ It is also a useful resource material for understanding your strengths and weaknesses, and for identifying both the opportunities open to you and threats you face in your Christian walk with Christ. ◆◆

It can serve as a flashlight for anyone who is walking a dark path or who wants to learn from the mistakes of someone in the past as to avoid the same mistakes or pitfalls. ◆◆ It is a book that will help you link the things that have happened in the past with experiences that you have in the present. Ike and Queen Ozuome are pastors of Alayo Miracle Church of

Christ in Lagos, Nigeria, Africa. They are known for their profound love for God, their compassion for people, and for their unwavering commitment to reaching others with the Good News of Jesus Christ.

**Jacob** Nov 11 2020 The many ups and downs in the life of Jacob are dramatized in compelling stories for elementary students, with simplified versions for tiny tots. This volume includes splendid illustrations, maps, photographs of artifacts from ancient times, and a comprehensive glossary that brings a forgotten age to life. There is something here for every member of the family.

*Jacob and the Divine Trickster*

Jan 14 2021 The book of Genesis portrays the character Jacob as a brazen trickster who deceives members of his own family: his father Isaac, brother Esau, and uncle Laban. At the same time, Genesis depicts Jacob as YHWH's chosen, from whom the entire people Israel derive and for whom they are named. These two notices produce a latent tension in the text: Jacob is concurrently an unabashed trickster and YHWH's preference. How is one to address this tension? Scholars have long focused on the implications for the character and characterization of Jacob. The very question, however, at its core raises an issue that is theological in nature. The Jacob cycle (Gen 25-36) is just as much, if not more, a text about God as it is about Jacob, a point startlingly absent in a great deal of Genesis scholarship. Anderson argues for the presence of what

he has dubbed a theology of deception in the Jacob cycle: YHWH operates as a divine trickster who both uses and engages in deception for the perpetuation of the ancestral promise (Gen 12:1-3). Through a literary hermeneutic, emphasizing the symbiotic relationship between how the text means and what the text means, and a keen eye to the larger task of Old Testament theology as literally "a word about God," Anderson examines the various manifestations of YHWH as trickster in the Jacob cycle. The phenomenon of divine deception at every turn is intimately tethered in diverse ways to YHWH's unique concern for the protection and advancement of the ancestral promise, which has cosmic implications. Attention is given to the ways that the multiple deceptions—some previously unnoticed—evoke, advance, and at times fulfill the ancestral promise. Anderson's careful and thoughtful interweaving of trickster texts and traditions in the interest of theology is a unique contribution of this important volume. Oftentimes, scholars who are interested in the trickster are unconcerned with the theological ramifications of the presence of material of this sort in the biblical text, while theologians have often neglected the vibrant and pervasive presence of the trickster in the biblical text. Equally vital is the necessity of viewing the Old Testament's image of God as also comprising dynamic, subversive, and unsettling

elements. Attempts to whitewash or sanitize the biblical God fail to recognize and appreciate the complex and intricate ways that YHWH interacts with his chosen people. This witness to YHWH's engagement in deception stands alongside and paradoxically informs the biblical text's portrait of YHWH as trustworthy and a God who does not lie. Anderson's *Jacob and the Divine Trickster* stands as a stimulating and provocative investigation into the most interesting and challenging character in the Bible, God, and marks the first true comprehensive treatment of YHWH as divine trickster. Anderson has set the stage to continue the conversation and investigation into a theology of deception in the Hebrew Bible.

**The First Book of Moses, Called Genesis** Oct 03 2022 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

**The Books of Jacob** Nov 04 2022 "Just as awe-inspiring as the Nobel judges claimed." - The Washington Post "Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." -AV Club "Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy." -Dwight Garner, The New York Times The Nobel Prize-winner's richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious

leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—The Books of Jacob captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, The Books of Jacob is paginated in reverse, beginning on p. 955 and ending on p. 1 – but read traditionally, front

cover to back.

**Jacob's Way** Aug 01 2022 "The army makes a man hard sometimes. I remember a young girl no more than ten who gave me a glass of buttermilk just outside of Chancellorsville. I still remember that. I guess that's all my life is. Some pictures fading out behind me, and there's not much before me." Reisa listened as he spoke. She knew that he was a man who longed for goodness, and longed for friends, and perhaps even a wife and family. Finally she said, "I hope you find your way, Ben. God is real, and love is real." Fleeing a bloody pogrom that threatens their tiny Russian village, Reisa Dimitri and her grandfather, Jacob, sail the ocean to a new life in America. They are swiftly embraced by New York's Jewish community. But God has other plans that will call them far from the familiar warmth and ways of their culture. Accompanied by their huge, gentle friend, Dov, Reisa and Jacob set out to make their living as traveling merchants in the post-Civil-War South. There, as new and unexpected friendships unfold, the aged Jacob searches for answers concerning the nature of the Messiah he has spent a lifetime looking and longing for. And there, the beautiful Reisa finds herself strangely drawn to Ben Driver--a man with a checkered past, a painful present, and a deadly enemy who will stop at nothing to destroy him. Fast-paced and tender by turn, Jacob's Way is a heartwarming novel about human love, divine faithfulness, and the

restoration of things that had seemed broken beyond repair. **Jacob's Ladder** Sep 21 2021 Jacob's ladder - Climbing it on God's terms provides a good case study of what God really has to say about prosperity. This book focuses on the practical and proven strategies for success that were uncovered by studying the life of Jacob. In the biblical legend Jacob was grandson and heir of Abraham. Jacob's actions have been recorded, and his methods can be emulated, and if your passion for success burns as bright as Jacob's did in him, you can achieve similar results. This book will help you detect where the rhythm of your life is being disrupted by events and circumstances that must be recognized and counteracted. You will learn how to honor the seasons of your life that dictate when and where to build a ladder and when to begin climbing. Jacob's Ladder - Climbing it on God's terms will help you discover the difference between choosing to call on God to help you navigate your way out of a bad situation and recognizing God as the tour guide of your life in all situations.

**Jacob's Room** Feb 24 2022 Published in 1922, the first of Woolf's novels to come out of Hogarth Press, Jacob's Room, also represents her first truly modernist work. If there is a plot to speak of, it is more a story arc, tracing the life of Jacob Flanders from his first appearance trying to climb a rock on a Cornish Beach, to his last reference, a report of his death during the war. Though Woolf does choose at times to

give Jacob his own point of view - starting on the beach with a change of tense - for the most part he is dealt with second or third hand, through the views and impressions of other characters. That the novel represents two firsts - for Hogarth and for Woolf's Modernism - is no surprise; it's unlikely that any of the major publishing houses would have gone with such an experimental shift from her previous two novels. The novel was, in the opinion of T.S. Eliot -more than a mere literary acquaintance - without compromise, by which he meant that it didn't seek to conform to the expectations of the commercial market.

Jacob The Liar Mar 28 2022  
Cut off from all news of the war along with thousands of fellow prisoners, Jacob Heym accidentally overhears a radio broadcast that reveals the Red Army's advancement and is forced to tell a series of lies in order to explain his knowledge. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to

authors whose work might not otherwise find a home.

**Jacob's Seed and David's Delight** Jan 02 2020 This work is a twofold treatise. It first concerns "Jacob's Seed" as an exposition of Isa. 65:19, "I did not say to the seed of Jacob, 'Seek me in vain.'" Burroughs shows how prayer is not in vain if it is done by God's people with a right end, though we might not see or gain what we want from prayer immediately. The second treatise is called "David's Delight" and is an exposition from Psalm 16:3, "But to the saints that are in the earth, and to the excellent in whom is all my delight." Burroughs teaches that the people of God should be the delight of the Christian since Christ is in her midst. Two powerful works by a master teacher and preacher. This work is not a scan or facsimile, has been carefully transcribed by hand being made easy to read in modern English, and has an active table of contents for electronic versions.

**Ascending Jacob's Ladder : Book II in the Jacob's Ladder Series** Jul 20 2021  
Ascending Jacob's Ladder Book II in Ascending Jacob's Ladder Series This is to me one of the enjoyable books out of the three that I have been able to pen, I feel like I have so much life left in me during much of this book. I find also it tells me little things pertaining to the great advent that will take place within Utah Valley. In one of the first dreams, I also become aware of how the advisory gets into the heart of men and takes them down to

the depths of the lake, to consume at his will. As I go through this work, I find that there are events that are going to take place that I later, by pure happenchance find the answer to while reading my scripture events that I have read several times but for some reason I was unable to see those events with the clarity that I know see them taking place. You will also see that there is a dream that is called, "The Parable of being schooled" I nearly named this entire series after that vary chapter because it taught to me that throughout all of the parables that are being written. It is "The Parable of being Schooled" that most explained to me what was going on throughout this dreaming and interpreting process. Then once again I decided to place into this work one of the same parables that I used in the first book of this series because I was directly told to pause for a time, that is what I did. I didn't begin again until I was once again told to move forward why this was, I have no Idea, but like I have stated, "I am only the pen in this project, nothing more." Regardless I am happy to do so. There are so many events that take place in these parables that astound me such as that of, "The Parable of The Baptism of Fire." This took place just before we had Covid-19 hit us, I found that this event was why I ended up moving into Spokane for only a year. Halfway through that year was when Covid-19 hit us and all the pleasurable moments of having family over had to stop. I have also found

that the Lord was stretching me through these dreams and vision, they from before the first book started out with just ten or so symbols. As time progressed, they had evolved into fifty and then into a hundred and fifty symbols that showed up during each dream. I should probably save this tid-bit for the third book, but I was given one dream out of that book that carried over three-hundred-eighty symbols, that dream took me well over two weeks to interpret. As a little secret to let you know that in

order for me to understand dreams in the manner, they are to be understood that I have to go through a seven-step process through which each dream is interpreted at which point I have to decide between three different forums of how to present each dream, this is done by the spirit. I would often have a dream and assume I understood it but until I put it through this process, I truly had no idea of how the Lord made sense of the way I received the dream, then to

finally see how each dream evolved. There is no way I could have put together these dreams and vision and had them present the understanding that exists without him being in control of this process. I know if you are paying attention to the Spirit that you will find alternate meanings to each one of these parables when you review them. I pray that you may gain more knowledge, inspiration and wisdom as you read and travel through all of these discoveries as I have.
