Contours of Christology in the New Testament
Jul 07 2020 *Contours of Christology in the New Testament* features first-class biblical scholars who steep readers in the biblical texts about Jesus. These essays focus on the New Testament writers' various understandings of Jesus, their differing emphases seen as contours in the common landscape of New

Testament christology. Sweeping in scope, the volume begins with a look at early christology and covers the whole of the New Testament from the Gospels to Revelation.

Who Wrote the New Testament? May 29 2022 *The Making of the Christian Myth* Commencing in mid February 2004, SBS TV (Australia) will run a two-part documentary based on this title. In this groundbreaking and

controversial book, Burton Mack brilliantly exposes how the Gospels are fictional mythologies created by different communities for various purposes and are only distantly related to the actual historical Jesus. Mack's innovative scholarship which boldly challenges traditional Christian understanding' will change the way you approach the New Testament and think about how Christianity arose. The clarity

of Mack's prose and the intelligent pursuit of his subject make compelling reading. Mack's investigation of the various groups and strands of the early Christian community out of which were generated the texts of Christianity's first anthology of religious literature and makes sense of a topic that has been confusing.

The Moral Vision of the New Testament Feb 11 2021 A leading expert in New Testament ethics discovers in the biblical witness a unified ethical vision -- centered in the themes of community, cross and new creation -- that has profound relevance in today's world. Richard Hays shows how the New Testament provides moral guidance on the most troubling ethical issues of our time, including violence, divorce, homosexuality and abortion. "Hays' passionately written book, with its bold agenda, has neither peer nor rival." --Leander E. Keck, Winkley Professor of Biblical Theology, Yale Divinity School "There are few people I would rather read for the actual exposition of the New Testament than Richard Hays. This book is filled with wonderful readings that not only inform us about how to think better about the so-called 'problem of the relation between the New Testament and ethics' but, even more, speak of how our lives should be lived in the light of Christ's cross. -Stanley Hauerwas, Gilbert T. Rowe Professor of Theological Studies, Duke University Divinity School "Richard Hays has succeeded brilliantly in bringing New Testament studies, contemporary theology, and ethics into a deeply reflective

conversation... Hays' point is that the New Testament norms the Christian life, and, with the help of imagination and metaphor, can address the moral conflicts of our time." --Ellen T. Charry, Perkins School of Theology, Southern Methodist University "This book isn't just a breath of fresh air. It's a hurricane, blowing away the fog of half-understood pseudo-morality and fashionable compromise, and revealing instead the early Christian vision of true humanness and genuine holiness. If this isn't a book for our time, I don't know what is." --N. T. Wright, author of *The New Testament and the People of God*

Fortress Commentary on the Bible Apr 15 2021 Fortress commentary on the Bible. The New Testament by Margaret P. Aymer (2014).

An Introduction to the New Testament Oct 22 2021 This second edition of *An Introduction to the New Testament* provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.

How to Read the New Testament Aug 20 2021 Bestselling illustrated introduction to the New Testament which enables readers to find their way around and come back for more.

Hearing the New Testament Oct 29 2019 Exciting approaches to biblical interpretation are introduced in this volume by contributors who are distinguished as leaders in the field of New Testament studies. Each chapter introduces a particular approach to interpretation and demonstrates, with biblical texts, how that approach can be used by students and pastors.

Theological Interpretation of the New Testament Jul 19 2021 The groundbreaking *Dictionary for Theological Interpretation of the Bible (DTIB)* introduced significant names, theories, and concepts in the field of biblical interpretation. *Theological Interpretation of the New Testament* features key articles from the award-winning DTIB, providing a history of interpretation and covering major theological ideas for each book of the New Testament. The articles, authored by leading scholars, make unique contributions to the study of theological interpretation of Scripture. This handy and affordable text offers students, pastors, and lay readers a comprehensive, book-by-book theological reading of the New Testament. Contributors William R. Baker Christopher Bryan S. A. The New Testament Sep 08 2020 Renowned for his translations of the Greek classics, the late scholar provides a complete translation, originally published in 1979 in two volumes, of the New Testament, rendering in simple English the Greek of the original.

Introducing the New Testament Oct 10 2020 Explores the literature of the New Testament of the Bible, highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages. Also provides background of the time period and locations in which the New Testament was written.

Introducing the New Testament Jan 01 2020 "And she wrapped him in swaddling clothes and laid him in a manger." Jesus is the central figure of the New Testament and this third volume in the popular Exploring the Bible series examines Jesus in three distinct ways: A man like other men, a Jewish rabbi, and the Christ of Christian faith. Then it's on to the cantankerous Paul, the other New Testament authors, and the wild and baffling book called Revelation. Learn what Nazareth was like in the first century, discover what scholars know and don't know about Jesus as a historical figure, and explore how Paul really wrote all those letters. And who is the Antichrist anyway? A Leader's Guide with detailed lesson plans for

six group sessions is sold separately. Other volumes in the series include: Volume 1: "What Is the Bible?" Volume 2: "Introducing the Old Testament" Learn more about the series and how you can earn a Certificate of Biblical Literacy at exploringthebible.org. PRAISE FOR EXPLORING THE BIBLE: THE DICKINSON SERIES ""Here is the most readable, complete, fair and accurate aid to the study of the Bible now available. I recommend it highly."" Dr. Harvey Cox Hollis Research Professor of Divinity Harvard Divinity School ""It would be hard to find a treatment of the New Testament that is fresher, more accessible, and more grounded in solid information than Anne Robertson's Introducing the New Testament. Every page reveals a lively and imaginative teacher who knows what students need to know and-just as important-knows how to communicate that knowledge in terms that students can grasp."" Dr. Luke Timothy Johnson R.W. Woodruff Professor of New Testament and Christian Origins Candler School of Theology Emory University ""Combining solid information with wit and humor, this series is an ideal tool for any church community wishing to attain a deeper understanding of the Bible, its origins, and its significance for today."" Dr. Justo L. Gonzalez Retired Professor of Historical Theology Author of the "History of Christian Thought" ""Exploring the Bible: The Dickinson Series is a magnificent Bible study resource. The questions we all have about the Bible are addressed in clear, accessible, and

often witty language, and questions we didn't even know to ask are introduced in lively and provocative ways. Those who have studied the Bible for years will find their understanding deepened, and those for whom the Bible is a new and unfamiliar land will find a reliable roadmap. The Leader's Guides are filled with stimulating teaching suggestions."" Dr. Thomas G. Long Bandy Professor of Preaching Candler School of Theology Emory University ""This series of Bible studies offers the readers a comprehensive and refreshing introduction to the Bible. Written in accessible language, it will help individuals and groups to engage in meaningful dialogues about the Bible, which continues to shape Christian imagination and values of the wider society. I highly recommend it."" Dr. Kwok Pui-lan William F. Cole Professor of Christian Theology and Spirituality Episcopal Divinity School

Theology of the New Testament Mar 15 2021 It is difficult to overestimate the singularity of Rudolf Bultmann. Bultmann's Theology of the New Testament changed the course of New Testament interpretation and has continued to influence the field until today. As ambitious in scope as it is consistent in method, Bultmann's volume asks and provides answers to the big questions. Bultmann also found a way to wed a sober-minded commitment to historical reconstruction to his deep desire for the New Testament to speak to contemporary humans.

Commentary on the New Testament Use of

the Old Testament Jun 29 2022 Leading evangelical scholars provide comprehensive commentary on every quotation, allusion, and echo of the Old Testament that appears in Matthew through Revelation.

An Introduction to the New Testament Jul 31 2022 A user-friendly introduction to the New Testament for beginning students

Hearing the Old Testament in the New Testament Nov 30 2019 How does the New Testament echo the Old? Which versions of the Hebrew Scriptures were authoritative for New Testament writers? The appearance of concepts, images, and passages from the Old Testament in the books of the New raises important questions about textual versions, allusions, and the differences between ancient and modern meaning. Presenting essays from a range of distinguished scholars, *Hearing the Old Testament in the New Testament* begins by laying out the foundational issues and then investigates the use of the Old Testament in specific segments of the New Testament. A concluding chapter by Andreas Kostenberger both questions and affirms the previous contributors' findings, offering much-needed direction for further inquiry into this vital area of biblical study.

The Cross in the New Testament May 17 2021 Explores the New Testament books showing what each contributes to our understanding of the atonement.

The Encyclopaedia Britannica Feb 23 2022 This book has been considered by academicians and

scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Revelation Apr 27 2022 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The New Testament Oct 02 2022 "David Bentley Hart undertook this new translation of the New Testament etsi doctrina non daretur, "as if doctrine is not given." Reproducing the texts' often fragmentary formulations without augmentation or correction, he has produced an often pitilessly literal translation of the early Christians' sometimes raw, astonished, and halting prose, one that captures the texts' frequent impenetrability and unfinished quality while awakening readers to an uncanniness that often lies hidden beneath doctrinal layers. This rendering also challenges the idea that the New Testament affirms the kind of people we are. Hart reminds us that the first Christians were a company of extremists, radical in their rejection of the values and priorities of society not only at its most degenerate, but often at its

most reasonable and decent. "To live as the New Testament language requires," he writes, "Christians would have to become strangers and sojourners on the earth, to have here no enduring city, to belong to a Kingdom truly not of this world. And we surely cannot do that, can we?"--Jacket flap.

The Unvarnished New Testament Jun 05 2020 This new, innovative translation of the New Testament opens the closed doors of preconception and allows the reader to view these important Greek writings in an entirely different light. Based on a radical and startling premise, *The Unvarnished New Testament* asks "Why not present the New Testament simply as it appears in the original Greek?"

Understanding the New Testament and Its Message Nov 22 2021 A solid, well-done introduction to the New Testament for undergraduates that explores teaching on faith issues, as well as the theology and spirituality of the New Testament. Reflections, study questions, charts, and indexes are included. + *An Introduction to the New Testament* Mar 27 2022 A long-awaited abridgement of Raymond Brown's classic and best-selling introduction to the New Testament Since its publication in 1997, Raymond Brown's *Introduction to the New Testament* has been widely embraced by modern readers seeking to understand the Christian Bible. Acknowledged as a paragon of New Testament studies in his lifetime, Brown was a gifted communicator who wrote with ease and clarity. Abridged by Marion Soards,

who worked with Brown on the original text, this new, concise version maintains the essence and centrist interpretation of the original without tampering with Brown's perspective, insights, or conclusions. The biblical writings themselves remain the focus, but there are also chapters dealing with the nature, origin, and interpretation of the New Testament texts, as well as chapters concerning the political, social, religious, and philosophical world of antiquity. Furthermore, augmenting Brown's commentary on the New Testament itself are topics such as the Gospels' relationship to one another; the form and function of ancient letters; Paul's thought and life, along with his motivation, legacy, and theology; a reflection on the historical Jesus; and a survey of relevant Jewish and Christian writings. This comprehensive, reliable, and authoritative guidebook is now more accessible for novices, general readers, Bible study groups, ministers, scholars, and students alike.

Redating the New Testament Sep 01 2022

The New Testament Sep 20 2021 The American English Version of the New Testament (AEV) is a word-for-word translation from the Greek, written in easy-to-read modern English, but not dumbed down in such a way as to insult the intelligence of adults or to sacrifice doctrinal depth. (Christian)

The Other Gospels Aug 27 2019 Ehrman and Plese present a rare compilation of over 40 ancient gospel texts and textual fragments that do not appear in the New Testament.

Chronological and Background Charts of the New Testament May 05 2020 Approach the New Testament with confidence. Chronological and Background Charts of the New Testament will help students organize and synthesize the vast amount of biblical and extrabiblical information on the New Testament by providing a helpful visual overview of the data, chronology, historical background, and criticism. This format allows facts, relationships, parallels, and contrasts to be grasped quickly and easily. Perfect for enhancing every type of teaching and learning situation and style, including homeschooling curricula and tutoring, church classes and Sunday school. The 90 charts in this updated, expanded edition are divided into four broad categories: General material for reading and understanding the New Testament. Backgrounds to the New Testament, such as historical and cultural settings. The Gospels—information on their authors, differences, audiences, etc. The apostolic age—chronology, theology, history, interpretations, etc. These charts cover a wide range of topics, from basic information to extrabiblical data such as "The Roman Military System," "Rabbinic Writings," and "The Five Gospels of the Jesus Seminar." ZondervanCharts are ready references for those who need the essential information at their fingertips. Accessible and highly useful, the books in this library offer clear organization and thorough summaries of issues, subjects,

and topics that are key for Christian students and learners. The visuals and captions will cater to any teaching methodology, style, or program.

New Testament Christology Jan 31 2020 How should we understand the Christ of the New Testament? What is the biblical framework that theologians and students must master if their systematic Christology is to be rooted in Scripture? In this book, Frank Matera answers these questions through a comprehensive study of the Christology found in the New Testament.

A Theology of the New Testament Jun 17 2021 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974. Now this comprehensive, standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology, an augmented bibliography, and an entirely new subject index. Jesus Outside the New Testament Nov 03 2022 Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha."

The Old Testament Canon of the New Testament Church Apr 03 2020 This new study of the Old Testament canon by Roger Beckwith is on a scale to match H. E. Ryle's classic work, which was first published in 1892. But Beckwith has the advantage of writing after

the Qumran (and other) discoveries; and he has also made full use of all the available sources, including biblical manuscripts and rabbinical and patristic literature, taking into account the seldom studied Syriac material as well as the Greek and Latin material. The result of many years of study, this book is a major work of scholarship on a subject which has been neglected in recent times. It is both historical and theological, but Beckwith's first consideration has been to make a thorough and unprejudiced historical investigation. One of his most important concerns - and one that is crucial for all students of Judaism, and Christians in particular - is to decide when the limits of the Jewish canon were settled. In the answer to this question lies an important key to the teaching of Jesus and his apostles, and the resultant beliefs of the New Testament church. Furthermore, any answers to questions about the state of the canon in the New Testament period would help to open a way through the present ecumenical (and interfaith) impasse on the subject. With its meticulous research and evenhanded approach, this book is sure to become the starting point for study of the Old Testament canon in the years to come.

[An Introduction to the New Testament and the Origins of Christianity](#) Dec 12 2020 Publisher Description

[The New Testament](#) Dec 24 2021 John Drury's clear, marvelously erudite, and richly detailed introduction to the Everyman's Library edition of The New Testament reminds us why the King

James Version, first published in 1611, has been the favorite of English readers for centuries. Despite a plethora of new translations in the second half of the twentieth century, the King James Version retains its power and appeal because "it has the intrinsic value of a classic and is an enduring masterpiece." Drury outlines the fascinating history of this magisterial translation, marveling at the "patient generosity" with which the translators sifted through and distilled a century of previous scholarship. He points out that their work has endured not only because of the astonishing care they took to reflect faithfully the syntax of the original Hebrew and Greek—which enabled them to dispense with the densely entangled prose style that characterized English writing at the time—but also because of their concern to writers from Milton to Coleridge to George Eliot. From the doctrinal richness of the letters of St. Paul to those four masterpieces of storytelling, the Gospels, The New Testament has served as a source of inspiration for centuries. To quote George Steiner on the centrality of the Bible: "What you have in hand is not a book. It is the book. That, of course, is what 'Bible' means. It is the book which, not only in Western humanity, defines the concept of a text. All our other books, however different in matter or method, relate, be it indirectly, to this book of books...All other books are inhabited by the murmur of that distant source."

An Introduction to the New Testament Jan 25 2022 An updated and expanded edition of a standard textbook on the New Testament for first- and second-year seminary students.

Introducing the New Testament Jun 25 2019 John Drane's authoritative and accessible survey of the New Testament, now available in full colour in a popular flexiback format

[Theology of the New Testament](#) Nov 10 2020 In this volume, Georg Strecker profiles the New Testament with major treatments of Paul, Jesus, the Synoptics, John, and the General Letters. Strecker argues for a rich mosaic of theologies rather than one single New Testament theology. He adopts a redaction-critical approach and thus highlights the background of and relationships among the New Testament writings. Strecker's relentless pursuit of the distinctive views of each specific writing allows the complexity of the New Testament to emerge.

[The Apocryphal New Testament](#) Mar 03 2020 The Apocryphal New Testament includes new translations of the most significant and famous of the non-canonical Christian works. These apocryphal texts reveal the popular legends of Christians after the New Testament era, and throw light on the origins of many later beliefs and practices.

The Writings of the New Testament Jan 13 2021 Watch Luke Timothy Johnson discuss his new book, Writings of the New Testament: Third Edition Luke Timothy Johnson offers a compelling interpretation of the New

Testament as a witness to the rise of early faith in Jesus. Critically judicious and theologically attuned to the role of the New Testament in the life of the church, Johnson deftly guides his reader through a wealth of historical and literary description and invites critical reflection on the meaning of these ancient writings for today. The third edition is carefully updated and includes new student-friendly format and features, including a new design and study and reflection questions. Other resources for teachers and students, including different suggestions for teaching from or alongside the textbook, are available under the

other tabs on this page.

[Reading the New Testament](#) Sep 28 2019

Reading the New Testament is an excellent introduction to the New Testament by a prominent scholar who is able to communicate its main the structure of the book, has been rewritten extensively, updating the information and incorporating the results of new biblical approaches and research.

[The New Testament World](#) Aug 08 2020 A

classroom standard for two decades, The New Testament World: Insights from Cultural Anthropology has introduced students to both the New Testament and the social-scientific

study of the New Testament. This revised and expanded third edition offers new chapters on envy and the Jesus movement, updates chapters from earlier editions, augments the bibliography, and offers student study questions.

The Acts of the Apostles Jul 27 2019 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James
