Swindon Works: The Legend Jun 05 2020 The age of steam is past, the heyday of Swindon Works is long gone – but the legend lives on. What made the Great Western Railway's Swindon Works iconic? Was it its worldwide reputation; perhaps its profound impact in shaping the new town of Swindon; or that it melded those who worked there into one big family? In a new and exciting format, this book, by popular railway historian Rosa Matheson, helps explain why the never-ending love story endures. With big facts and fascinating stories, it is a must read not only for ex-Works employees and their families, nor just for GWR fans and railway enthusiasts, but also for any newcomer seeking to find a good way into railway history.

Battle of the Alamo Sep 28 2019 Texas, 1836. The Republic of Texas began the fight for independence in 1833. For several years, Texans fought the Mexican government for the right to rule itself. One of the historical battles was fought on March 6, 1836, at the Alamo, a crumbling fort defended by

154 men. Stand with the defenders in what became a symbol of Texan courage and sacrifice in this impressive graphic novel. Maps, timelines, glossaries, and indexes make these titles an exciting addition to classroom discussion.
