**Little Red Riding Hood** Aug 01 2022 This beautiful edition of the classic tale is re-designed in celebration of 50 years of working with Bernadette Watts—one of Europe’s most recognized and beloved fairy-tale artists, known in Europe simply as Bernadette. When a young girl sets out to bring friendship and a treat to her ailing grandmother a wolf tricks her. This cautionary tale with a happy ending is retold with simple charm and illustrated with glowing paintings by one of the world’s great interpreters of folk- and fairy tales. This edition of the cherished story is sure to be a favorite. “The old is new again here, and this is a welcome addition to the fairy-tale shelf.”—Kirkus Reviews *Little Red Riding Hood*, “My what big talent she has!” — Kirkus Reviews *The Battlecruiser HMS Hood* Dec 25 2021 “A wonderfully illustrated biography” of one of history’s greatest warships whose sinking “signaled the end of the surety that Britannia ruled the waves” (War History Online). Unmatched for beauty, unequalled for size, for twenty years the HMS Hood was the glory ship of the Royal Navy, flying the flag across the world in the twilight years of the British Empire. Here, in words, photos and color illustrations, is the story of her life, her work

and her people from keel-laying on the Clyde in 1916 to destruction at the hands of the Bismarck in 1941. Among the eye-catching strengths of the book is a unique gallery of photos, including stills from a recently discovered piece of color footage of the ship, plus a spectacular set of computer-generated images of both the exterior and interior by the world’s leading exponent of the art—a man who worked with the film director James Cameron (of Titanic fame). A wealth of new information on Hood’s structure and operation make it essential reading for the enthusiast, modeler and historian alike. Hugely successful from its first publication, this is the third printing of the ultimate book on the ultimate ship of the pre-war era. “The most comprehensive study of a modern warship ever undertaken.”—Warship World

*Red Riding Hood* Jan 26 2022 Written over a century ago but never illustrated, Beatrix Potter's slightly darker take on the classic The Tale of Red Riding Hood comes to life with beautiful illustrations from Helen Oxenbury. Once upon a time there was a village child who was so pretty--so pretty as never was seen. The good woman, her mother, made the child a little hood of scarlet flannel. Wherever she went she wore it; and the folks called her "Little Red Riding Hood." Told with Beatrix Potter's trademark forthright narration and wry observations, this unique take on the popular tale is sure to become as popular as her original stories. Award-winning illustrator Helen Oxenbury's illustrations complement the original text with moments of beauty, tension, and humor.

**We Are One: How the World Adds Up** Nov 23 2021 The whole is greater than the sum of its parts—and unity and connection are most important of all—in a beautifully illustrated counting book with a timely message. One can be one thing all on its own—one star, one stream, one stick, one stone. But those on their toes, those using their smarts, know one can be more than the sum of its parts. Consider the two slices of bread that make up one sandwich, or the three lines of poetry that form one haiku, or even the ten years that form one decade. From one to ten, from sandwiches to centuries, every part is necessary to the whole. In this

fascinating concept book, a simple rhyming narration aimed at younger children is complemented by informational panels about subjects like the four compass points, the five acts in Shakespeare, the seven colors of a rainbow, or the nine innings in baseball. Award-winning author Susan Hood and debut children's book illustrator Linda Yan offer a mind-expanding look at early math concepts such as part/whole relationships, fractions, and addition—while underlying themes of cooperation, peace, and kindness make this beautiful volume one to be enjoyed by anyone at any age.

**Little Fred Riding Hood** May 30 2022 A hilarious story for young readers by Michael Cox for Egmont's red banana series. Big Bad Wolf is Wilf Wolf's hero and Little Red Riding Hood is his favourite story, although pages are mysteriously missing from the end of the story. One day, on his way back from Wolfworths, Wilf meets a boy called Little Fred who has just been visiting his granny and who is wearing a red hood! Wilf can't believe his luck and plans to gobble Fred's granny, just like in the story! But when Wilf knocks on granny's door he gets a shock. Granny is six foot tall! She's the granny Little Fred visits on Saturday, not the small, tasty-looking one that Wilf saw on Thursday! Little Fred and his Saturday granny chase Wilf through the woods threatening to marmalise him! Poor Wilf! Red bananas are chapter books for newly fluent readers, suitable for NC Level 3 readers. They are carefully

designed illustrated books for both entertainment and education, supporting children's understanding of how to read longer books. Red bananas introduce similes and wordplay to encourage an understanding of more literary concepts.
