Monster Hunter Nemesis Aug 01 2022 #5 in multiple New York Times bestseller Larry Correia's **Monster Hunter** series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts—parts from other people, that is. Franks is nearly seven feet tall and all muscle. He's nearly indestructible. Plus he's animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he's on our side. Sworn to serve and protect the United States of America from all monsters by one of the country's founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. Project Nemesis: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he's making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one hand tied behind his back. Monster Hunter Memoirs: Saints Mar 04 2020 The No-Holds-Barred Final Entry in the **Monster Hunter Memoirs** Series from New York Times best-selling authors Larry Correia and John Ringo. "This is New Orleans." That mantra had rung in Chad Gadenier's ears since his first day working in the Big Easy. Everything was different in New Orleans. The food. The climate. The monsters. Even the shadow and reprehensible MCB was different. But that's just the beginning. The real reason New Orleans is so different is a larval Great Old One growing day by day in power and just about ready to pop. If Chad can't convince "the powers that be" to get involved, not only New Orleans but the entire world is going to fall under the power of the nastiest of nasties. Now on the outs with the US Government and in exile from his usual job of saving the world, Chad must rally the forces of light against the coming darkness. The problem is one guy with a sword and a sub-gun isn't going to solve this one. Fortunately, Chad's made a few friends over the years. And the Fey hate Old Ones as much as God's people, and they're not about to give up this world without a fight. If the Saints don't come marching in on this one . . . there won't be a Final Battle. There will be a final massacre. Now, where'd he put that number for the ditzzy fey princess . . . ? Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure."—Publishers Weekly About prequel Son of the Black Sword: "This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow."—Jim Butcher, creator of the New York Times best-selling Dresden Files "Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come."—Publishers Weekly (starred review) "Fans who like Correia's fast-moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson's Mistborn series."—Library Journal "Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite hit."—Bookreporter "The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced."—SFCrownsnet "I loved the book, it was great, fast paced, with wonderful characters, and also a lot of wonderful scenes that screamed to be painted."—Larry Elmore, legendary, award-winning artist, and cover artist for Son of the Black Sword. "Son of the Black Sword: Saga of the Forgotten Warrior tells of what happens after the war with the gods, when demons were cast out and fell to the world to nearly destroy these unstoppable beasts until the gods sent a hero to save them. One Ashok has been chosen to be a protector with a powerful weapon in hand, uncovering those who still practice old ways and are potential dangers to the order—but when he discovers all his efforts have been based on a lie, everything's about to change. Gun Runner Dec 13 2020 THRILLING SCIENCE FICTION ADVENTURE FROM BEST-SELLING AUTHORS LARRY CORREIA AND JOHN BROWN The Heart of a Warrior Once, Jackson Rook was a war hero. Now, Jackson Rook is a criminal, a smuggler on board the Multipurpose Supply Vehicle Tar Heel. His latest mission: steal a top-of-the-line mech called the Citadel and deliver it to the far-flung planet Swindle, a world so hostile even the air will kill you. The client: a man known only as the Warlord. Rook has been in the smuggling business long enough to know that it's best to take the money and not ask questions. But Rook cannot stand by and watch as the Warlord runs roughshod over the citizens of Swindle, the way the Collectivists did on his homeworld. For all his mercenary ways, Rook is not a pirate. "This is New Orleans." That mantra had rung in Chad Gadenier's ears since his first day working in the Big Easy. Everything was different in New Orleans. The food. The climate. The monsters. Even the shadowy and reprehensible MCB was different. But that's just the beginning. The real reason New Orleans is so different is a larval Great Old One growing day by day in power and just about ready to pop. If Chad can't convince "the powers that be" to get involved not only New Orleans but the entire world is going to fall under the power of the nastiest of nasties. Now on the outs with the US Government and in exile from his usual job of saving the world, Chad must rally the forces of light against the coming darkness. The problem is one guy with a sword and a sub-gun isn't going to solve this one. Fortunately, Chad's made a few friends over the years. And the Fey hate Old Ones as much as God's people, and they're not about to give up this world without a fight. If the Saints don't come marching in on this one. . . . There won't be a Final Battle. There will be a final massacre. Now, where'd he put that number for the dizzy fey princess. . . . ? At the publisher's request, this title is sold without DRM (Digital Rights Management). None was more merciful than he in stamping out the lingering belief in gods and demons among the casteless. His brutality was legendary and celebrated. There had been first daughter of Vane. A member of the Warrior Order, she had spent her life training for combat. Until a strange sight in the heavens appeared one day. Thera was struck by lightning and from that day forward she heard the Voice. Monster Hunter Nemesis Feb 01 2020 #5 in multiple New York Times bestseller Larry Correia's Monster Hunter series. Agent Franks of the U.S. Monster Control Bureau is a man of many parts—parts from other people, that is. Franks is nearly seven feet tall and all muscle. He's nearly indestructible. Plus he's animated by a powerful alchemical substance and inhabited by a super-intelligent spirit more ancient than humanity itself. Good thing he's on our side. More or less. Sworn to serve and protect the United States of America from all monsters by one of the country's founding fathers, Franks has only one condition to the agreement: no matter what the government learns of him, no matter what is discovered concerning his odd physiology or the alchemy behind the elixir that made him, the government is never, ever allowed to try and make more like him. Such is absolutely forbidden and should the powers-that-be do so, then the agreement is null and void. Project Nemesis: in a secret location, using sophisticated technology and advanced genetic engineering, the director of the very agency Franks works for is making more like him. And the director is not content with making one. Nope, he's making thirteen. Now all bets are off, and Hell hath no fury like a monster betrayed. Particularly if that monster happens to be an undying killing machine capable of taking out vampires and werewolves with one hand tied behind his back. Son of the Black Sword Jul 28 2019 #1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesied that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed the

descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, the elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war, and destruction. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Monster Hunter Memoirs: Grunge May 18 2021 TWO MULTIPLE NEW YORK TIMES BEST-SELLING AUTHORS TEAM UP TO EXPAND LARRY CORREIA'S MONSTER HUNTER UNIVERSE! When Marine Private Oliver Chadwick Gardener is killed in the Marine barracks bombing in Beirut, somebody who might be Saint Peter gives him a choice: Go to Heaven, which while nice might be a little boring, or return to Earth. The Boss has a mission for him and he's to look for a sign. He's a Marine: He'll choose the mission. Unfortunately, the sign he's to look for is '57." Which, given the food services contract in Bethesda Hospital, creates some difficulty. Eventually, it appears that God's will is for Chad to join a group called "Monster Hunters International" and protect people from things that go bump in the night. From there, things trend downhill. Monster Hunter Memoirs is the (mostly) true story of the life and times of one of MHI's most effective—and flamboyant—hunters. Pro-tips for up and coming hunters range from how to dress appropriately for jogging (low-profile body armor and multiple weapons) to how to develop contacts among the Japanese yakuza, to why it's not a good idea to make billy goat jokes to trolls. Grunge harkens back to the Golden Days of Monster Hunting when Reagan was in office, Ray and Susan Shackelford were top hunters and Seattle sushi was authentic. Noir Fatale May 06 2020 NEW SCIENCE FICTION, URBAN FANTASY, AND MYSTERY STORIES WITH A NOIR THEME FROM BEST-SELLING AUTHORS LAURELL K. HAMILTON delivering an Anita Blake series story, LARRY CORREIA, penning a Grimoir series adventure, an original Honor Harrington series tale from DAVID WEBER, AND MORE. The silky note of a saxophone. The echoes of a woman’s high heels down a deserted asphalt street. Steam rising from city vents to cloud the street-lit air. A man with a gun. A dame with a problem . . . NOIR. From the pulpy pages of *Black Mask Magazine* in the 1920s and 30s, through the film noir era of the 1940s, to today, noir fiction has lured many a reader and movie-goer away from the light and into the dark underbelly of society. Names such as Raymond Chandler, Dashiell Hammett, and James M. Cain; titles like *The Big Sleep*, *The Maltese Falcon*, *The Postman Always Rings Twice* . . . these have inhabited our collective consciousness for decades. Humanity, it seems, loves the dark. And within the dark, one figure stands out: that of the femme fatale. Here then, *Noir Fatale* an anthology containing the full spectrum of noir fiction, each incorporating the compelling femme fatale character archetype. From straightforward hardboiled detective story to dark urban fantasy to the dirty secrets of futuristic science fiction—all with a hard, gritty feel. As Raymond Chandler said, “Down these mean streets, a man must walk who is not himself mean, who is neither tarnished nor afraid.” Because, as these stories prove, doing the right thing doesn’t necessarily mean you get the big bucks or the girl. But you do the right thing anyway. All new stories by Larry Correia Kacey Ezell Laurell K. Hamilton David Weber Sarah A. Hoyt Robert Buettner Alistair Kimble Griffin Barber Michael Massa Christopher L. Smith and Michael Ferguson Hinkley Correia Patrick Tracy Steve Diamond At the publisher’s request, this title is sold without DRM (Digital Rights Management). The *Dead Six* series is an inventive and action-packed military adventure series with a touch of conspiracy and big dollop of descriptive firepower! Europe has spiraled into chaos. A conspiracy years in the making combined with general unrest lead to upheaval and revolution. In the midst of the murderous disorder, mercenary Michael Valentine is in Europe with a small team of his Exodus personnel trying to track down the evil and highly dangerous Katarina Montalban. She has initiated a mysterious plot to do away with those who stand between her and ultimate power. The team is on their own, with few friends, few resources—and racing against the clock. Both Valentine and Lorenzo will have to risk some dangerous alliances if they’re to succeed. Meanwhile, Valentine’s friend, one-time enemy, and sometime partner Hector Lorenzo finds himself in a dungeon owned by Asian drug lord Sala Jihan. He must make a deal that may lead him to cross paths with Valentine again. If two of the most effective killers in existence hunt, even the pandemonium in Europe may be just the first act in an orgy of destruction. At the publisher’s request, this title is sold without DRM (Digital Rights Management). About Mike Kupari’s exciting SF adventure novel, *Her Brother’s Keeper*: “After cowriting *Dead Six* and *Swords of Exodus* with Larry Correia, Kupari makes his solo debut with this space opera that is bound to attract fans of Mike Shepherd’s *Kris Longknife* series or Elizabeth Moon’s *Vatta’s War* books. An excellent choice for both teen and adult SF readers.”—Library Journal “[P]age-turning action . . . may be Kupari’s best book yet.”—Galveston County Daily News About Larry Correia’s *Son of the Black Sword*: “This book has everything I like in fantasy: intense action scenes, evil in horrifying array, good struggling against the darkness, and most of all people—gorgeously flawed human beings faced with horrible moral choices that force them to question and change and grow.”—Jim Butcher, creator of the *New York Times* best-selling *Dresden Files* “Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. . . . Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come.”—Publishers Weekly (starred review) “Fans who like Correia’s fast-moving style will be pleased with the plethora of action scenes, and epic fantasy readers interested in delving into a new universe should be equally satisfied. A solid choice for admirers of Brent Weeks and Brandon Sanderson’s *Mistborn* series.”—Library Journal “Correia is, above all, a storyteller, and he weaves a unique and entertaining tale. Without question, his action sequences pop on the page, his magic system has a nice wrinkle, and he has the foundations laid out for some excellent character growth as the series continues. . . . [A] definite hit.”—Bookreporter “The lore here is fascinating and well told. I enjoyed learning the history of the world and the legend of Ramrowan. The politics are just complicated enough to feel real without being too difficult to follow. Where the book truly shines, however, is in the characters. All are well drawn and distinctively voiced.”—SFCrownsnest

The *Crimson Pact* Volume 3 features fifteen action packed and frightening short stories, including, “That Which We Fear” by New York Times bestselling author Larry Correia, and Steven Diamond, which features Diego Santos, a bad ass marine who knows the exact time of his death, and Jarvis “Lazarus” Tombs, a federal agent who investigates the paranormal, and has the strange habit of coming back from the dead. “The Ronin’s Mark” by Donald Darling is a story from an arch demon’s point of view and provides a fascinating study of what happens when a demon becomes too close to the world he is trying to destroy. “Whispers in the Code” by Patrick M. Tracy uncovers the sinister truth about the secrets found inside the internet, and those trying to stop the end of days. “Stumble and Fall” by Isaac Bell tells a tale of his famous character, John Olshoe, who recalls a time when he failed to be the hero. “Singe, Smolder, Torch, Whither” by Eric M. Bosarge is a creepy tale Stephen King could have written if he decided to write a story with a more literary style. “The Jar of Needs” by Patrick M. Tracy is about a depraved customer who will do anything for the sullen barista he’s fallen in lust with. “Monsters on the Trail” by Patrick S. Tomlinson shows us what happens when investigators find out a demon may be involved with a political campaign. “David in Disguise” by Kelly Swails takes us to a 1960’s Chicago protest march where a young woman, who wants to be a journalist, finds out she may have to join the family business after all . . . and hunt demons. “Fallout from My Former Life” by Valerie Dircks proves that a young woman can never escape her past, especially at her high school prom. “The Recruit” by Craig Nybo profiles the boxing champion, Micky Atlas, in what may be his last fight . . . on Earth. EA Younker gives us a steampunk apocalypse story, “Fight” where the rebels steal an airship and take the battle to the demon-possessed bots who have destroyed their world. “The Third Eye” by Chanté McCoy tells the tragic story of a failed Greek Orthodox priest in the early 1900’s, who is unable to convince his countrymen that the demons are indeed coming. “A Contract Between Thieves” by Stephanie M. Lorée is one of the most entertaining stories in the anthology and is set in a “Italian Renaissance steampunk meets traditional sword & sorcery world” and features a rogue named Feni, and her lover, Raf, and their travails after Feni accepts the absolutely wrong job-that feels so right. “Shen Llamo’s Daughters,” takes us on a trip to Tibet in a time when the old customs of the mountain people, typified by pragmatic Yumi, battle with the new religion of Buddhism, and demonic spirits roam a haunted valley in the Himalayas. “The Scarlet Cloak” by Karen Bovenmyer, which book-ends this collection and will not soon be forgotten, is about a young woman who takes revenge on her enemies by using an artifact of terrible power that may consume her in the end, or perhaps it will set her true self free.

Monster Hunter Siege Sep 21 2021 #6 in multiple New York Times bestseller Larry Correia’s *Monster Hunter* series. **GO BIG OR GO HOME** When *Monster Hunter International*’s top hunter, Owen Zavasta Pitt, was given a tip about some hunters who had gone missing in action, he didn’t realize their rescue mission would snowball into the single biggest operation in MHI’s history.
