New KS1 English 10-Minute Tests: Grammar, Punctuation & Spelling Sep 08 2020 Fully updated to help teachers deal with the new 2016 Grammar Tests, this second edition presents a collection of simple to use, multi-sensory games and activities that will jumpstart pupils' understanding of grammar in action! It includes coverage of the subjunctive and past progressive, selecting which tense is the most definite, identifying when a word is used as a subordinating conjunction/preposition, explaining how a comma can be used to separate parts of a sentence, and an increased emphasis on the passive. Jumpstart! Grammar will prepare children for any grammar tests on the horizon in an engaging way so that they love playing with words and spinning sentences to make ideas dance. An ability to name the parts of a sentence is what is required. Fun games will focus first on helping children hear the difference various types of grammar can make followed by activities to help them understand what different effects various punctuation marks have. Technical terms will only be introduced once the children have established what the various features can do, with a particular focus on those terms that really help children discuss what makes language coherent and effective. This practical book celebrates the joys of language and coherent expression: of finding just the right words or phrases to express what you want to say.
