Reader's Digest The Essential Guide to CBD Aug 03 2020 The Essential Guide to CBD is an authoritative but user-friendly primer on CBD. CBD has splashed across the nation's headlines, taken the country by storm, and has everyone from Coca-Cola to Starbucks considering adding this new "miracle supplement" to their drinks. But the FDA has only approved it for use in treating epilepsy in children. What is CBD, anyway? What's the difference between CBD, THC, cannabis, hemp, and marijuana? Can CBD help me lose weight? How much CBD do I need to take to help my condition? What do I look for when buying CBD? Is it better to take CBD oil or gummies or what? The Essential Guide to CBD will answer all of these questions and much more, including both first-person anecdotes of real people's experiences with CBD and straightforward reporting about what studies have actually been done and what they show. Written in part by the experts at Project

CBD, the book will separate fact from fiction, hype from reality.

How to Make Sewing Patterns, Second Edition Sep 04 2020 How to Make Sewing Patterns solves the mysteries of pattern drafting with easy, step-by-step instructions and clear line drawings that show how to create custom-fit garments in a wide range of designs. The book's detailed instructions on measuring and fitting include do-it-yourself photographs as well as directions for creating custom dress forms. Don McCunn has certainly mastered pattern drafting and fitting a wide range of bodies. Whether or not you have taken pattern drafting in a class, this book is a good reference in a very readable style. I especially liked the exacting instructions on taking measurements on the body and the solution for side seams which are not perpendicular to the floor. --Sandra Betzina, the power behind power sewing. Author of 10 books, a syndicated column for 37 years, and a host of her own show on HGTV for 6 years. Beyond the impressive range of material in How to Make Sewing Patterns is the author's obvious concern that readers understand what they are

doing and why. There are many helpful tips throughout the book, some quite clever and unexpected. The section on drafting a sloper contains excellent explanations of the various body contours, measuring, and fitting. Text, drawings, and photos of the human body from every angle illustrate the various interrelated contours and just how a pattern accommodates them. He even gives detailed instructions on how to measure and fit yourself. --Threads Magazine

McCunn's book dispels the mysteries of pattern drafting, an area which was once the province of the couturier. A do-it-yourself text in which lessons build upon one another, this book provides detailed guides to creating patterns. --Library Journal

The most readable pattern drafting book I've found. The drawings are the simplest line drawings possible but executed with concise purpose. --Whole Earth Catalog

Donald McCunn leads the beginning seamstress or the advanced into pattern drafting via a thorough introduction. He shows that drafting is easy if each step is clearly related to the final outcome and if the drafter visualizes what he or she is doing. --Christian Science Monitor"
