Goodman's Neurosurgery Oral Board Review 2nd Edition Jun 29 2020 "Why a second edition of the text book - Goodman's Neurosurgery Oral Board Review? The American Board of Neurological Surgery Oral Examination is the important final step in the certification process of a neurosurgeon. The examination has been in a constant state of evolution over the last 75 years. A major change in the examination process occurred in 2017, and the details of this transition are nicely outlined in Chapter 1. In keeping with this significant change in the Oral Board Examination format - I felt that the Goodman course needed to change to keep up with the Examination - see Chapter 3. The 2nd edition of the book now also reflects these updates with an emphasis on how to prepare for the current exam format. "--

Engaging with AQA GCSE (9-1) History: Conflict and Tension, 1918-1939 Wider World Depth Study Mar 27 2020 Exam board: AQA Level: GCSE Subject: History First teaching: September 2016 First exams: Summer 2018 Make AQA GCSE History more accessible, enjoyable and manageable. Based on his own experience of teaching the specification, renowned author Dale Banham knows how to cover the content with the right pace and depth, while also equipping students with the knowledge and 'complex thinking' skills required for exam success. Using the latest research on memory and visible learning, this textbook will help to raise attainment for students of all abilities. - Engage students with accessible routes into challenging topics: the text is broken down into bullet points and boxes, while stories about interesting people start each chapter, providing a memorable 'hook' for revision - Encourage students to take responsibility for their learning: tasks are structured around five 'steps to success', teaching students how to Research, Summarise, Connect, Apply and Review the content - Make learning stick: techniques such as interleaving, retrieval practice, dual coding and spaced practice help students to remember everything and use their knowledge effectively in the exams - Build top-grade skills: the higher-order thinking skills required to construct complex arguments and reach the upper levels of the AQA mark schemes are carefully modelled, with step-by-step advice - Improve exam results: practice questions, revision tips and guidance based on the examiners' reports are embedded throughout the book, alongside purposeful homework activities for each week - Cover the content in one term: a double-page spread for each lesson and a clear pathway through each unit focuses students on what they really need to know, leaving one final term for revision The five-term plan is provided FREE for teachers in the Free schemes of work and lesson resources (available on the Dynamic Learning platform), along with editable resources that support the tasks in the textbooks and guidance on using homework effectively.
