*The Century Dictionary and Cyclopedia* Jul 28 2019

**Vehicles Hide and Sneak** May 18 2021 Truck, truck, truck... turtle! Spot the imposter on each page, in this handsome collection of vehicles and look-alikes. Behold this artful and unusual odd-one-out board book for the youngest readers, featuring a favorite theme: transportation. Contraire masterfully creates a group of images on each spread which all belong together, and then adds one that bears some degree of resemblance, but has no business joining the rest. A toaster among buses, a donkey among motorcycles, and a bird among planes are all hiding in plain sight for the delighted toddler to giddily discover! Young readers will exercise skills of categorization and concentration in finding the misplaced addition, and enjoy naming the specific vehicles as well! Features an answer key at the end.

**Sneak-A-Peek-A-Boo! Where's My Puppy?** Jan 14 2021 Sneak a peek through the hole in each page, then lift the flap to find out who's hiding.

**On the Sneak Tip** Jan 26 2022 This story is based on five central characters. Four of them are men with sexual dysfunction. These fictional characters are forced to navigate their lives around their different pelvic and sexual problems. The fifth character is a female urologist, who harnesses her specialty to treat men with erectile dysfunction. The book then turns towards the science and research behind erectile dysfunction, prostate cancer and pelvic pain (the most elusive of all things, for men who have it). This nonfiction

portion explores what treatments are available for men with such conditions. The takeaway is a comprehensive look at what happens in the male pelvis, from the viewpoint of a specialist who treats men. It encompasses how men view their own masculinity; and how society is often unforgiving of men in today's world. This book seeks to uncover how men can deal with their pelvic problems. And how all genders can relate to their struggles. "Becca genuinely taps into an amazingly sensitive topic that affects more than 30 million men. Erectile dysfunction is a taboo subject that men tend to shy away from discussing or reaching out for help. Becca depicts an intimate journey of each of her characters in a manner that anyone can empathize with. This book is a fantastic read which I hope will allow men to come out from hiding in knowing they are not alone." Dr. Omnia Samra-Latif, MD, MPH, FACOG, FAARM "Becca has a way with words and with people. She is a healer to the core. This book is for anyone who needs or wants to see the human/vulnerable side of erectile dysfunction and pelvic pain in men. These characters are as real as their symptoms." Aisling Linehan, PT, DPT, PRP

**The Cat, the Sneak and the Secret** Apr 04 2020 In the latest from the author of *The Cat, the Vagabond and the Victim*, a feline with a penchant for pilfering ends up unearthing a deadly mystery.... Jillian Hart and Tom are finally tying the knot, but first they need to make sure Tom's stepson, Finn, is as comfortable as possible in the lake house they will all call home. So when it becomes clear that Finn has fallen for a pretty cat from the Mercy Animal Sanctuary, Jillian and Tom readily agree to make room for one more—even though the tortoiseshell kitty is a notorious kleptomaniac. So far, the cat has sneaked out of the adoption center time after time, bringing back trinkets, shoelaces, and socks. But when she brings back an antique locket, Finn enlists Tom's and Jillian's sleuthing skills. They hope to return the treasured item to its owner, but their search for answers is sidetracked when a body is found. Still, their sneaky cat's find may just lead them to a killer....

The book is die-cut through from the front to the back cover, and children will have fun looking through the holes to find matching colors around them.

**Professional Criminals of America** Dec 01 2019 Contained in the item are "36 heliotype plates with photographs of mug shots of criminals (204), and two plates; one of Inspector Byrnes, and the second a tableau of a criminal being held for his picture."--Hanson Collection catalog, p. 85

**Sneak** Oct 03 2022 "Apocalyptic dystopian fiction at its best. Angler's sharp wit and dexterity with political themes are matched only by the thrilling suspense on every page." —Lis Wiehl, New York Times bestselling author and FOX News correspondent In a future United States under the power of a charismatic leader, everyone gets the Mark at age thirteen. The Mark lets citizen shop, go to school, and even get medical care—but without it, you are on your own. Few refuse to get the Mark. Those who do . . . disappear. Logan

Langly went in to get his Mark, but he backed out at the last minute. Now he's on the run from government agents who will stop at nothing to capture him. But Logan is on a mission to find and save his sister, Lily, who disappeared five years ago on her thirteenth birthday, the day she was supposed to receive her Mark. Logan and his friends, a group of dissenters called the Dust, discover a vast network of the Unmarked, who help them travel safely to the capital city where Lily is imprisoned. Along the way, the Dust receives some startling information from the Markless community, opening their eyes to the message of Christianity and warning that humanity is now entering the End of Days. When the Dust finally arrives in the capital, it seems that all their careful planning is useless against a government that will do anything to bend its citizens to its will. Can the gentle words Logan has found in a tattered, banned Bible really stand against the most powerful military the world has ever known? Can Logan even sacrifice his own freedom, choosing to act through faith alone?

This book will teach you how to be sneaky, how to distract, and how to show your Monster that you care. Before you begin, you will need large sunglasses, a can of worms, a bright red clown nose, peanut butter, a pink wig, and an extra-large toothbrush.

**A Walk in Eden** Sep 21 2021 Traverse a lush and abandoned Eden, escaping the everyday for a world waiting to come to life A keen observer of the natural world and the mystical treasures contained within, Anders Nilsen uses lush, inky lines to craft an enchanting, meditative journey for your coloring tools. A Walk in Eden is a fantastical view of primeval creation, with an exquisite mix of sprawling landscapes and close-up examinations of plants, fungi, and minerals--think giant crystal formations emerging out of pools surrounded by lush vegetation and flowers the size of small trees. Though this is a world void of humans, here and there are small reminders of our presence. Informed by the designs of Ernst Haeckel and other early scientific and botanical illustration, Nilsen's world is intricate, playful, and inspired, waiting for you to make it your own. With 80+ full-page drawings, Nilsen invites you to join in the fun and bring the adult- and kid-friendly world of A Walk in Eden to life.
