So, similar to you require the book swiftly, you can straight get it. Its correspondingly entirely simple and appropriately fats, isnt it? You have to favor to in this flavor

It Could Happen Here Mar 10 2021 How many of our opinions are created for us? How easily can our beliefs be manipulated or marginalized? Is what we read online part of an online democracy where all beliefs are equal? Set in our world of social media, Internet comment boards, twenty-four hour news updates, and ubiquitous cell phones, the novel **It Could Happen Here** explores possible answers to these questions. Along the way, the book explores institutional cover-up, violence against women, teen angst, and campus evangelism in a secular age. Most significantly, the novel is unabashedly preachy, and contains a thinly veiled missionary plot designed to influence the reader to embrace Christianity. You have been warned. Read it at your own risk!

It Will Happen Jul 14 2021 How many times have you heard the words, "It will happen?" For Laura and her husband, Scoop, the phrase that once brought comfort, hope and reassurance began to lose all positive meaning. When they first started trying for a baby, they had no idea what they would be in for. After the heartbreak of each loss, when the world around her frustratingly seemed to carry on like normal, Laura struggled to cope with her inability to do something others seemed to find so easy. In this candid memoir, she shares her isolating experiences and talks openly and honestly about how she and her husband navigated the harsh realities of their rollercoaster journey to parenthood. **It Will Happen** covers: - trying to conceive and the strain on relationships - miscarriage, ectopic and molar pregnancies - jealousy and resentment - treatments and testing - the anxiety of pregnancy and motherhood after loss - communicating with people in these situations Written from the heart of someone with first-hand experiences, **It Will Happen** gives you tools and information to feel empowered and supported through the

difficult times when trying to conceive. Who ever really knows what WILL happen? What's important is that it CAN happen.

It Could Happen Here Jun 13 2021 In *It Could Happen Here*, Bruce Judson, author of *Go It Alone!*, explains why revolution is possible in the United States—and makes the most disturbing case yet for why our economics are leading us inevitably toward a just such a crisis. Underscoring the historically dangerous levels of inequality in our country today, *It Could Happen Here* “will cause you to think about the risks for a nation divided between haves and have nots.” (Walter Isaacson)

It Could Happen To You Apr 11 2021 FROM BUD TO BLOSSOM SHE WAS SCARED OF HER OWN SHADOW! Kim Berry kept her head down, her guard up and always drove under the speed limit until Zach McCain came roaring into her life. Suddenly Kim's well-ordered world was turned topsy-turvy. The excitement she found in Zach's arms was oh, so tantalizing. But it was all going too fast. HE WAS ALL MAN AND NOTHING STOOD IN HIS WAY! From the moment Zach had seen Kim, serving pie at the Red Hog Diner, he'd sensed something sassy simmering under her calm exterior. Zach was used to taking risks, and he sure didn't mind taking a chance on someone as pretty as Kim. But could he ever give up his wild ways and settle down? FROM BUD TO BLOSSOM: Through the eyes of love, a plain Jane can become a princess an ugly duckling a lovely swan!

It Could Happen Tomorrow Dec 19 2021 Are we living in the last days? Current events indicate that Old and New Testament prophecies are being fulfilled. Dr. Gary Frazier, a top prophecy scholar, pastor, speaker and author, identifies key indicators along with Biblical references that explain the demise of America, the coming Islamic invasion of Israel, nuclear weapons in Iran, and more. In this updated release of *It Could Happen Tomorrow: Future Events that Will Shake the World*, you will: Discover what the Bible reveals about the end times Separate fact from fiction about the end of the world Learn important Biblical signs that the end is near Recognize America's place in Biblical prophecy. Tim LaHaye, co-author of the best-selling *Left Behind* series says, “Dr. Frazier uses many of these end-time prophecies to show how our generation could very well be the last generation before the Rapture....” Reading this book will inspire you to live in expectation of Jesus Christ's return and reign on earth. It could even change the focus of your life towards evangelism, missions, and living out the great commission.

Amazing Things Will Happen Nov 06 2020 Work hard, be kind, and amazing things will happen Amazing Things Will Happen offers straightforward advice that can be put into action to improve your life. Through personal anecdotes from the author's life, and interviews of successful individuals across several industries, this book demonstrates how to achieve success, in all aspects of life, through hard work and acts of kindness. Split into five sections, this book details how to begin the self-improvement journey. Explains how to cope with the situation you are currently in, and how to make the most of it until you can break free Shares exercises and practices that can help define your goals and how to set realistic tasks to reach them Helps you to navigate the seas of doubters and obstacles to get to where you want to be Ensures that you help others, once you have reached your goals Each of us has different goals in life, but everyone wants to succeed, and have as much fun as possible along the way. Amazing Things Will Happen shows how to get on this path to success.

It Could Happen to Anyone Mar 22 2022 This revised and updated edition provides a comprehensive examination of why women stay in abusive relationships and why they leave, explaining why women should not be blamed for their victimization.

Did the Resurrection Happen? Jun 01 2020 This book presents the full content of the third and final debate between philosopher Antony Flew--who was, until 2004, one of the world's most prominent atheists--and Christian philosopher Gary Habermas. Included as well are transcripts of the Q A session with the audience afterward, a 2004 conversation between Habermas and Flew shortly after Flew's much-publicized change of position to theism, as well as editor David Baggett's assessment and analysis of the full history of Habermas and Flew's interactions.

Could It Happen to Anyone? Jul 02 2020 A story that tells how sometimes, when we tell off our children without thinking, we don't think that "It could happen to anyone". Guided Reading Level: M, Lexile Level: 800L

It Can Happen Here Sep 23 2019 "If many people were shocked by Trump's 2016 election, many more were stunned when, months later, white power extremists took to the streets of Charlottesville chanting "Blood and Soil" and "Jews will not replace us!" Like Trump, the Charlottesville marchers were dismissed as aberrations -- the momentary appearance of "racists" and "haters" who didn't represent the real U.S. Rather than being exceptional, *It Can Happen Here* argues these events are symptoms of the country's long history of systemic white supremacy,

genocide, and atrocity crimes. And there is a high likelihood that such violence will occur here again. This reality, "It Can Happen Here" demonstrates, is a key post-mortem lesson we have learned from the 2016-2020 Trump presidency. "It Can Happen Here" breaks new ground by raising the alarm about the on-going threat of genocide and mass violence in the U.S. as well as considering path forward for repair. Written from a public anthropology perspective, it is also the field's first book to explore contemporary white power extremism in the U.S"--

The Porcelain Doll Jun 20 2019 'A masterful debut' - Ellen Alpten, author of *Tsarina* In a faraway kingdom, in a long-ago land ... Rosie lived peacefully in Moscow and her mother told her fairy tales. One summer night, all that came abruptly to an end when her father and sister were gunned down. Now, Rosie's only inheritance from her reclusive mother is a notebook full of eerie, handwritten tales, but there is another story lurking between the lines. Currently studying at Oxford University, Rosie has a fiancé who knows nothing of her former life. Desperate for answers to the questions that have tormented her, Rosie returns to her homeland and uncovers a devastating family history which spans the 1917 Revolution, the siege of Leningrad, Stalin's purges and beyond. At the heart of those answers stands a young noblewoman, Tonya, as pretty as a porcelain doll, whose actions reverberate across the century ...

Funny Things Can Happen on Your Way through the Bible, Volume 1 Dec 27 2019 Proceeding from Voltaire's conclusion that "God is a comedian playing to an audience that's afraid to laugh," this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor, wit, and laughter. Readers are invited to take a strikingly unusual, if not unique, approach to the texts, imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories.

Great Things Will Happen Today: the Intrepid Media 2008 Collection Jan 28 2020 Intrepid Media is a 2nd generation social network and promotional site for writers and other artists. Founded in 1999, Intrepid Media has grown to over 1000 members around the world, including New York Times bestselling authors, writers represented by major agencies, novelists, journalists, freelancers, technical writers, bloggers, students, and everything in between. It Could Never Happen Here Oct 05 2020 'Brings twist after delicious twist. I love this book.' Jo Spain

_____ Their school is about to be taught a lesson... Beverley Franklin will do whatever it takes to protect her local school's reputation. So when a scandal involving her own daughter threatens to derail the annual school musical's appearance on national television, Beverley goes into overdrive. But in her efforts to protect her daughter and keep the musical on track, she misses what's really going, both in her own house and in the insular Glass Lake community - with dramatic consequences. Glass Lake primary school's reputation is about to be shattered... 'Eithne Shortall mixes humour and tragedy with a deftness reminiscent of Marian Keyes' Irish Times *Accidence Will Happen* Feb 27 2020 Are standards of English alright - or should that be all right? To knowingly split an infinitive or not to? And what about ending a sentence with preposition, or for that matter beginning one with 'and'? We learn language by instinct, but good English, the pedants tell us, requires rules. Yet, as Oliver Kamm demonstrates, many of the purists' prohibitions are bogus and can be cheerfully disregarded. ACCIDENCE WILL HAPPEN is an authoritative and deeply reassuring guide to grammar, style and the linguistic conundrums we all face. 'A unique and indispensable guide to usage' STEVEN PINKER 'An immensely intelligent and playful polemic, cheeky and erudite by turns...certainly gets the blood pumping, so do read it' THE TIMES 'A superb book'

It Could Happen to Anyone Jun 25 2022

It Could Happen Feb 21 2022 When Andrea Daniels discovers that she can't get pregnant, she attempts to coax herself into trying in vitro fertilization but stops just short of taking the plunge. After falling into depression, she decides to try adopting a child. An intimate meeting with a young birthmother results in the opportunity to bring home the child she has longed for, but Andrea is unprepared for the wave of emotions she feels for both the baby and his birthmother. Not long after her son arrives, however, Andrea realizes she still craves the challenge of her career. When she accepts a new position, she discovers that everything has changed and that finding good childcare is a full-time job. A menagerie of inept nannies parades through her door, but help is just around the corner when

Andrea's craving for a second child begins . Part memoir, part novel, *It Could Happen* is a moving tale of discovery, heartbreak, and love.

What's the Worst That Could Happen? Aug 27 2022 Why catastrophic risks are more dangerous than you think, and how populism is making them worse. Did you know that you're more likely to die from a catastrophe than in a car crash? The odds that a typical US resident will die from a catastrophic event—for example, nuclear war, bioterrorism, or out-of-control artificial intelligence—have been estimated at 1 in 6. That's fifteen times more likely than a fatal car crash and thirty-one times more likely than being murdered. In *What's the Worst That Could Happen?*, Andrew Leigh looks at catastrophic risks and how to mitigate them, arguing provocatively that the rise of populist politics makes catastrophe more likely. Leigh explains that pervasive short-term thinking leaves us unprepared for long-term risks. Politicians sweat the small stuff—granular policy details of legislation and regulation—but rarely devote much attention to reducing long-term risks. Populist movements thrive on short-termism because they focus on their followers' immediate grievances. Leigh argues that we should be long-termers: broaden our thinking and give big threats the attention and resources they need. Leigh outlines the biggest existential risks facing humanity and suggests remedies for them. He discusses pandemics, considering the possibility that the next virus will be more deadly than COVID-19; warns that unchecked climate change could render large swaths of the earth uninhabitable; describes the metamorphosis of the arms race from a fight into a chaotic brawl; and examines the dangers of runaway superintelligence. Moreover, Leigh points out, populism (and its crony, totalitarianism) not only exacerbates other dangers but is also a risk factor in itself, undermining the institutions of democracy as we watch.

It Could Happen Here Nov 25 2019 "From the dynamic head of Anti-Defamation League (ADL), an impassioned argument about the terrifying path that America finds itself on today--and how we can save ourselves"--Flap page 1 of dust jacket.

It Could Happen to You Feb 09 2021 Another outstanding Spanish artist presents everyday situations gone very, very lubricious. A doctor receives a visit from a client who needs a different kind of help. A wedding dress maker is hit on by a horny bride. A hot dentist who puts you to sleep and then into bondage gear? Hey, you never know, it

could happen to you!

What's the Worst That Could Happen? Jul 26 2022 7.2 million YouTube viewers can't be wrong: A provocative new way to look at the global warming debate. Based on a series of viral videos that have garnered more than 7.2 million views, this visually appealing book gives readers—be they global warming activists, soccer moms, or NASCAR dads—a way to decide on the best course of action, by asking them to consider, "What's the worst that could happen?" And for those who decide that action is needed, Craven provides a solution that is not only powerful but also happens to be stunningly easy. Not just another "change your light bulb" book, this intriguing and provocative guide is the first to help readers make sense—for themselves—of the contradictory statements about global climate change. The globe is warming! or The globe is not warming. We're the ones doing it! or It's a natural cycle. It's gonna be a catastrophe! or It'll be harmless. This is the biggest threat to humankind! or This is the biggest hoax in history. Watch a Video

That's a Possibility! Aug 15 2021 With colorful photographs and interactive examples, Bruce Goldstone introduces children to the ideas of something being possible, probable, or impossible. Each spread features an easy-to-understand scenario such as dice rolling, with questions about probable outcomes and simple explanations. In the vein of *Great Estimations*, this is a perfect book for getting across important math concepts in a fun way. This title has Common Core connections.

What's the Worst That Could Happen? Apr 23 2022 Why catastrophic risks are more dangerous than you think, and how populism is making them worse. Did you know that you're more likely to die from a catastrophe than in a car crash? The odds that a typical US resident will die from a catastrophic event—for example, nuclear war, bioterrorism, or out-of-control artificial intelligence—have been estimated at 1 in 6. That's fifteen times more likely than a fatal car crash and thirty-one times more likely than being murdered. In *What's the Worst That Could Happen?*, Andrew Leigh looks at catastrophic risks and how to mitigate them, arguing provocatively that the rise of populist politics makes catastrophe more likely. Leigh explains that pervasive short-term thinking leaves us unprepared for long-term risks. Politicians sweat the small stuff—granular policy details of legislation and regulation—but rarely devote much attention to reducing long-term risks. Populist movements thrive on short-

termism because they focus on their followers' immediate grievances. Leigh argues that we should be long-termers: broaden our thinking and give big threats the attention and resources they need. Leigh outlines the biggest existential risks facing humanity and suggests remedies for them. He discusses pandemics, considering the possibility that the next virus will be more deadly than COVID-19; warns that unchecked climate change could render large swaths of the earth uninhabitable; describes the metamorphosis of the arms race from a fight into a chaotic brawl; and examines the dangers of runaway superintelligence. Moreover, Leigh points out, populism (and its crony, totalitarianism) not only exacerbates other dangers but is also a risk factor in itself, undermining the institutions of democracy as we watch.

Anything Could Happen Sep 28 2022 'Gloriously romantic' The Sun 'I couldn't put it down' Jill Mansell 'A charmingly escapist read ... a tonic for trying times' Daily Mail 'The book we all need - full of escapism, romance, hope and kindness' Milly Johnson Your big secret is out. What next? For Lara and her daughter Eliza, it has always been just the two of them. But when Eliza turns eighteen and wants to connect with her father, Lara is forced to admit a secret that she has been keeping from her daughter her whole life. Eliza needs answers - and so does Lara. Their journey to the truth will take them on a road trip across England and eventually to New York, where it all began. Dreams might have been broken and opportunities missed, but there are still surprises in store... Anything Could Happen is a warm, wise, funny and uplifting novel about love, second chances and the unexpected and extraordinary paths life can take us down. Anything Could Happen Oct 29 2022 When you're in love with the wrong person for the right reasons, anything could happen. Tretch lives in a very small town where everybody's in everybody else's business. Which makes it hard for him to be in love with his straight best friend. For his part, Matt is completely oblivious to the way Tretch

feels – and Tretch can't tell whether that makes it better or worse. The problem with living a lie is that the lie can slowly become your life. For Tretch, the problem isn't just with Matt. His family has no idea who he really is and what he's really thinking. The girl at the local bookstore has no clue how off-base her crush on him is. And the guy at school who's a thorn in Tretch's side doesn't realize how close to the truth he's hitting. Tretch has spent a lot of time dancing alone in his room, but now he's got to step outside his comfort zone and into the wider world. Because like love, a true self can rarely be contained. *Anything Could Happen* is a poignant, hard-hitting exploration of love and friendship, a provocative debut that shows that sometimes we have to let things fall apart before we can make them whole again.

[It Can Happen To Any Family](#) Jan 08 2021 “I left her room and went to bed. I lay next to David, but we did not speak. There were no words to describe the pain we were in. I thought about the day that had begun so pleurably and ended so painfully. Even so, I thanked God for the blessings in my life, as I did every night. I asked Him to watch over Candice and provide her with the help she needed. We had not been able to give her what she required. Nothing had worked as we had hoped. I am glad I didn't know then how tragically her story—and ours—would end. What had happened to Candice, and where did it all begin?” This is the story of an ordinary family struggling with an extraordinary problem: a special child whose journey was hijacked by teenage drug use. Candice Doucette was a beautiful and well-loved young girl with many friends and talents and supportive parents. What happened to her and her family can happen to any family. In this memoir, her mother candidly shares her experience, in hopes that other parents will find this book a resource as they strive to answer the recurring question, “What can we do?” And now, nine years later, Cynthia writes an epilogue to give the reader insight into her life today. How through her enduring loss of her daughter, she has finally found what's most important: her peace. Cynthia Doucette's compelling memoir shares such deep, intense, emotional family struggles and triumphs. The connection I felt with Cynthia and her daughter, Candice was unreal. It felt as though Candice's spirit was with me as I read her life story. Candice spoke through the words of her mother. I could feel Candice's happiness, her depression, her pain, and her anger. In this story of her tragic death and the wonderful family she left behind, I found myself becoming a part of the Doucette family, as I can relate to the emotional roller coasters they've endured. Cynthia's outlook on her family's ups and

downs is so real and by far one of the most amazing stories I've ever read. Cynthia is an inspirational author, a role model, a woman who had enough faith, love and strength to put her family's story out for the world. She sacrificed her and her family's privacy to help others in need of answers and guidance in times of crisis. This book clearly proves that this can happen to any family. -Rebecca Batchelder-

Could It Happen Here? Dec 07 2020 "From award-winning author Michael Adams, *Could It Happen Here?* draws on groundbreaking new social research to show whether Canadian society is at risk of the populist forces afflicting the rest of the world. In vote after shocking vote, Western publics have pushed their anger to the top of their countries' political agendas. The votes have varied in their particulars, but their unifying feature has been rejection of moderation, incrementalism, and the status quo. Britons opted to leave the European Union. Americans elected Donald Trump. Far-right, populist politicians channeling anger at out-of-touch "elites" are gaining ground across Europe. Amid this roiling international scene, Canada appears placid, at least on its surface. As other societies retrench, the international media have taken notice of Canada's welcome of Syrian refugees, its half-female federal cabinet, its acceptance of climate science and mixed efforts to limit its emissions, the absence of a prominent hard-right ethno-nationalist movement. After a year in power, the centrist federal government continues to enjoy majority approval, suggesting an electorate not as bitterly split as the ones to the south or in Europe. As sceptics point out, however, Brexit and a Trump presidency were unthinkable until they happened. Could it be that Canada is not immune to the same forces of populism, social fracture, and backlash that have afflicted other parts? Our largest and most cosmopolitan city elected Rob Ford. Conservative Party leadership hopeful Kellie Leitch proposes a Canadian test for immigrants and has called the Trump victory "exciting." Anti-tax demonstrators in Alberta chanted "lock her up" in reference to Premier Rachel Notley, an elected leader accused of no wrongdoing, only policy positions the protesters disliked. In *Could It Happen Here?*, pollster and social values researcher Michael Adams takes Canadians into the examining room to see whether we are at risk of coming down with the malaise affecting other Western democracies. Drawing on major social values surveys of Canadians and Americans in 2016--as well as decades of tracking data in both countries--Adams examines our economy, institutions, and demographics to answer the question: could it happen here?"--

What's the Worst That Could Happen? Aug 23 2019 It started with a ring. A cheap ring. The yellow metal said brass, not gold, and the sparkly bits were certainly not diamonds. But the ring belonged to May's horseplaying uncle, who swore it brought good luck. Dortmund, who wouldn't kick a little good luck out of bed, puts it to the test when he goes to burglarize Long Island billionaire Max Fairbanks. As luck would have it, Dortmund is greeted by Fairbanks himself - and a loaded gun - as soon as he strolls through the door. When the cops arrive, the mogul adds insult to injury by claiming that Dortmund's lucky ring is actually his. Big mistake, big guy. As soon as Dortmund can give the cops the slip, the world's most single-minded burglar goes after the fat cat with a vengeance and a team of crooks that only he can assemble. And from the get go everything will go Dortmund's way - everything, that is, except the ring.

Something Will Happen, You'll See Jul 22 2019 Ikonomou's stories convey the plight of those worst affected by the Greek economic crisis--laid-off workers, hungry children. In the urban sprawl between Athens and Piraeus, the narratives roam restlessly through the impoverished working-class quarters located off the tourist routes. Everyone is dreaming of escape: to the mountains, to an island or a palatial estate, into a Hans Christian Andersen story world. What are they fleeing? The old woes--gossip, watchful neighbors, the oppression and indifference of the rich--now made infinitely worse. In Ikonomou's concrete streets, the rain is always looming, the politicians' slogans are ignored, and the police remain a violent, threatening presence offstage. Yet even at the edge of destitution, his men and women act for themselves, trying to preserve what little solidarity remains in a deeply atomized society, and in one way or another finding their own voice. There is faith here, deep faith--though little or none in those who habitually ask for it. From the Trade Paperback edition.

Love Can Happen After Marriage Too Oct 25 2019 Yes I'm Yatra...!! Yes, the same that takes you to a destination with your partner, the journey to take your parents to a pilgrimage, the journey that guides a stray, the journey that makes someone successful..!!, but saw If you go, the journey is just alone, without any partner, the journey has no value without any partner. Shiva..., the one who introduced me to himself, the one who gave me the hope of living, the one who attained it was like finding some god for me. I will start everything from the beginning, I met him, married him, but for two years of marriage we were only good friends, then one day he adopted a child,

due to the arrival of the Netri, the physical distance of both of us also starts decreasing, then Yukta came into our life with her first smile. One day I came to know that you have caught her in never-curable disease, I came to her and came to know about Riya, both Shiva and Riya loved each other very much, but when I met Riya So she had a lot of hatred for Shiva in her mind, she did not even want to see Shiva's . After reading Shiva's diary, I came to know that his last wish is that Riya should come and tell him that "Yes, I still love you as much as I was before." When I was going to Riya, I was in my mind. There was only one question. "Why did these two parting...??"

It Did Happen Here Oct 17 2021 In this moving book, two skilled oral historians collect the words of Americans who have been victims of political repression in their own country. Disturbing and provocative, *It Did Happen Here* is must-reading for everyone who cares about protecting the rights and liberties upon which this country has been built.

Something Might Happen Apr 30 2020 On a Monday night in October in a small seaside town in Suffolk, a woman is brutally murdered. There are no obvious suspects, she was not an obvious victim. She just wasn't, thinks her grieving, bewildered friend Tess, the type to have something happen to her. *Something Might Happen* is not a murder mystery. There are clues, false trails, detectives, all the paraphernalia of the whodunnit, but Myerson's concern is with the effect of the murder on an ordinary community and specifically on Tess herself, her husband Mick and her three children. As the police go about their routine investigation, Tess's world of nappies, school runs and baked beans begins to unravel. Suddenly nothing is certain, the mundane becomes charged with significance, established relationships begin to crumble and places that once were safe are safe no longer.

It Could Happen To Anyone Nov 18 2021 It continues to provide understanding and empathy regarding this complex issue and presents an integrated learning theory explanation of the conditioning that culminates in wife abuse, in the resulting state of the victim, and in the decision to stay with an abuser."--BOOK JACKET.

It Could Happen.... Jan 20 2022 The world is set on one reality. People have a certain way for things to be "normal." What if we are all wrong and there is a distinct reality, one that seems so out of place until we compare the similarities in this adventure, one that changes the norm and gets you thinking? It could happen...

The Dragonmaster Trilogy Collection May 12 2021 The Dragonmaster Trilogy collection is a compilation of three

stunning YA Fantasy novels, **FLAME**, **FLIGHT** and **FREEDOM**. Join sisterwitches Sanna and Isadora Spence as they grow into a new world of dragons, unexpected magic, and struggles that test the enduring bonds of sisterhood.

FLAME In Anguis, magic is forbidden. Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change.

FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from **FLAME** in a new tale about growing up, moving on, and finding the courage within.

FREEDOM Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a

world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? **FREEDOM** is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

Miracles Can Happen Aug 03 2020 Two weeks after her mother's death, eight-year-old Amanda dreams of an angel who speaks to her about her father, her departed mother, and about life and death. Her father learns how the power of faith and love can be transforming.

It Can Happen Sep 04 2020 Craig McPherson lives a mundane life. He's a family man who owns an oil company, and he spends most of his days bored and dissatisfied. But fate has something else in mind. Seemingly without reason, Craig gets pulled into a tragic murder-suicide investigation. The murder-suicide has nothing to do with Craig and his company ... or does it ? Soon, he finds himself caught between two foreign oil cartels, both competing for his company and his expertise. Like a marionette controlled by unseen hands, Craig is yanked back and forth in a struggle for power. The cartels are fighting for ownership of the world's oil supply—a direct threat to the United States—and Craig is standing in their way. In order to survive, he must join the fight, risking his own life and the lives of his family. But Craig McPherson isn't a soldier or a terrorist. He's a regular guy, living a regular life, who must now use his intellect to save his family from certain death and the United States from unfriendly domination. He must conceive a plan to trap his adversaries and beat them at their own game—using himself as bait. Suddenly, Craig's mundane life as a CEO and father doesn't seem so awful.

24: What Can Happen in A Day Mar 30 2020 Most people know that firefighting is an incredibly dangerous profession. The popular perception of firefighters is that they are fearless heroes who put their lives on the line to rescue people from burning buildings. That perception is mostly true. But there is so much more about firefighters and their community labor that is rarely revealed. 24—What Can Happen in a Day is a brilliant, intimate look into the daily lives of firefighters, from the experiences of Michael Ford Jr., who rose through the ranks from raw recruit to assistant fire chief. You will ride along with Chief Ford as he unveils the most interesting, disturbing, and adventurous firefighter escapades. You'll laugh and wince in sympathy as Ford offers you a behind the scenes view

into a world of secrets, failures, misfortune, exhilaration and triumph. You will cheer as you are encouraged to transcend perceived limitations to advance in life. And more than anything, you'll be enthralled as you experience the inspiring, tragic, shocking, best and worst of humanity come to life, compelling you to treasure your family and friends with a more significant expression. Hilarious, profound, and deeply moving... this is a thrill ride you'll never forget.

Love Will Happen Sep 16 2021 LOVE WILL HAPPEN is the story of Jeremy Clayton's struggles to find love in Birmingham, Alabama, a city of 229,000 people. There are about 15 females to every one male. It would seem that Jeremy's search for love and a true soul mate would be an easy one. But his search is derailed by his demanding job as a deputy working Vice with Jefferson County Sheriff's Office. His search has led him to discover that his daughter's mother needed drama in her life to motivate her, his future ex is insecure and needs to be told that she is desired constantly and she cheated on him. Another lover felt that being abused is her proof of being loved and she returned to her abusive ex. And yet another lover compared her ideal man to an I-HOP breakfast. When his relationships end Jeremy blamed the women because they were all crazy. Or were they? When his marriage falls apart his friends, Frederica, Franklin and Dee Wayne try to help him through the pain. Frederica asked him to start listening to the women in his life to learn what they want in a relationship, Franklin tells him to slow down and learn to enjoy life away from the job and Dee Wayne tells him to sex as many women as he can because the women are now looking for the same thing that men are looking for, sex. Life is a female dog when his future ex, Cynthia strips the house clean while he was at work. He meets two women who leave him bitter and in the course of his job he is almost killed in the line of duty because his mind was on the I-HOP woman. Jeremy has a heart-to-heart talk with Frederica and it is then that he realized that he was the common denominator in all his failed relationships. All the women were different but he was the same. It is then that he started working to change his outlook on life. His family and friends encouraged him to stop looking for love saying, "Love will come along and when it does it will come from the person you least expected. Live life and enjoy it and LOVE WILL HAPPEN."

It Could Happen to You May 24 2022 Rowan has always cherished an ambition to travel. She didn't just leave the small Scottish town where she grew up; she fled from it as fast as she could. Now she's become expert at

metropolitan living; she could walk by a million faces and not notice any of them. And her dream is almost within her grasp. When Rowan does start packing her bags, she has to find room for one very unexpected item. And she's headed not for exotic distant shores but back to Scotland. There, she feels at first like nothing more than a source of good gossip. But as she discovers that no one is quite who she thought they were, Rowan begins to see that home could be where she'll find what she was looking for after all...
