[More Brilliant Answers](#) Aug 24 2022 Five years, two million customers, twenty million questions, and now this, the fourth book of texts from AQA 63336, the UK's most accurate text question and answer service. More Brilliant Answers highlights the weirdest, most difficult, strangest and funniest as well as revealing the most popular questions texted by the British public to 63336 over the last year. It includes prime Q&As including: Q. What was Noah's wife called? A. Noah's wife is not named in the Bible, but according to Jewish tradition her name was Naamah. 10% of Americans think Joan of Arc was Noah's wife; Q. What's smellier than an anchovy? A: Far smellier than an anchovy is titan arum, the world's smelliest plant, stinking of rotting flesh. Don't use in a bouquet, unless you want to break up; Q. How much does a ghost weigh? A. The average ghost weighs just 544g (1.2lb). Coincidentally, this is the exact same weight as the average white cotton bedsheet, minus 2 eye holes. AQA is enduringly popular, as customers' and readers' comments show: 'You should be congratulated on hiring such humorous people'; 'AQA's word is now gospel in our lives'; 'Do you have any remedies for being addicted to AQA?'; 'I love AQA. You are like a big fat person who is all jolly and soft and I just want to hug you.'

*Motherhood in the Twenty-First Century* Mar 19 2022 Mothers in the twenty-first century confront us, both in clinical practice and in theory, with fascinating challenges that to some extent subvert the traditional maternal ideal: the motherhood of single women, motherhood in which the mother-child relationship seems minimal (in the case of very busy working mothers), teenage motherhood in which there is no true awareness of the maternal function, motherhood in couples of homosexual women, men who take upon themselves the maternal function (men-mothers), complex motherhood by virtue of the multiple variants that have nowadays become possible thanks to new reproductive

techniques, shared motherhood, surrogate motherhood, sublimated motherhood, perverse motherhood. Psycho-history, the accumulation and variety of psychoanalytic theories of femininity and motherhood, the contribution of gender studies, cross-disciplinary research, and listening to what our patients have to say - all this has yielded, in the past few decades, much controversial data that challenges orthodox classical thinking with respect to the role and function of women as mothers.

**Moses, Citizen And Me** Jul 31 2020 When Julia flies in to war-scarred Sierra Leone from London, she is apprehensive about seeing her Uncle Moses for the first time in twenty years. But nothing could have prepared her for her encounter with her eight-year-old cousin, Citizen, a former child soldier, and for the shocking truth of what he has done. Driven by a desire to understand Citizen, Julia takes the disturbed child into the 'bush'. There they meet other child soldiers, and a storyteller, Bemba G., who provides a safe haven for them all and strives to return them to childhood through play, love, story-telling and performance. As Julia gradually rediscovers Africa, the different generations of her family rediscover their bonds. And then Bemba G. directs the child soldiers in a version of Shakespeare's Julius Caesar, with powerful effect.

*More Confessions of a Hostie* Mar 07 2021 Planes travel fast; for airline crew, good gossip travels faster. In this sequel to bestselling "Confessions of a Hostie", international flight attendant Danielle Hugh entertains and shocks in equal measure with more turbulent tales of life in the sky. Intense shopping, jetlag, poltergeist passengers, mile-high-club contenders and sick bags all put in an appearance, as do Danielle's 'earthling' boyfriend, Dean, her best friend, Helen, and her promiscuous fellow hostie, Mary-go-round. So, fasten your seatbelts, ensure your seat is fully upright, your tray-table stowed and join Danielle on her (sometimes) glamorous journey through life and relationships high above the clouds.

*Mother, Mother* Jan 25 2020 From Koren Zailckas, author of the iconic memoir SMASHED: an electrifying debut novel about a family being torn apart by the woman who claims to love them most Josephine Hurst has her family under control. With two beautiful daughters, a brilliantly intelligent son, a tech-guru of a husband, and a historical landmark home, her life is picture perfect. But living in this matriarch's determinedly cheerful, yet subtly controlling domain hasn't been easy for her family, and when her oldest daughter, Rose, runs off with a mysterious boyfriend, Josephine tightens her grip, gradually turning her flawless home into a darker sort of prison. Resentful of her sister's newfound freedom, Violet turns to eastern philosophy, hallucinogenic drugs, and extreme fasting, eventually landing herself in a psych ward. Meanwhile, her brother, Will, recently diagnosed with Asperger's, shrinks further into a world of self-doubt. Their father, Douglas, finds resolve in the bottom of a bottle—an addict craving his own chance to escape. Josephine struggles to maintain the family's impeccable façade, but when a violent incident leads to a visit from child protective services, the truth about the Hursts might finally be revealed. Now with Extra Libris material, including a reader's guide and bonus content

*More Equal Than Others* Oct 26 2022 During the past quarter century, free-market capitalism was recognized not merely as a successful system of wealth creation, but as the key determinant of the health of political and cultural democracy. Now, renowned British journalist and historian Godfrey Hodgson takes aim at this popular view in a book that promises to become one of the most important political histories of our time. *More Equal Than Others* looks back on twenty-five years of what Hodgson calls "the conservative ascendancy" in America, demonstrating how it has come to dominate American politics. Hodgson disputes the notion that the rise of conservatism has spread affluence and equality to the American people. Quite the contrary, he writes, the most distinctive feature of American society in the closing years of the twentieth century was its great and growing inequality. He argues that the combination of conservative ideology and corporate power and dominance by mass media obsessed with lifestyle and celebrity have caused America to abandon much of what was best in its past. In fact, he writes, income and wealth inequality have become so extreme that America now resembles the class-stratified societies of early twentieth-century Europe. *More Equal Than Others* addresses a broad range of issues, with chapters on politics, the new

economy, immigration, technology, women, race, and foreign policy, among others. A fitting sequel to the author's critically acclaimed *America In Our Time, More Equal Than Others* is not only an outstanding synthesis of history, but a trenchant commentary on the state of the American Dream. *More Forensics and Fiction* Nov 15 2021 This compilation of medical and forensic science questions from crime writers around the world provides insight into medical and forensic science as well as a glimpse into the writer's creative mind. How do hallucinogenic drugs affect a blind person? Will snake venom injected into fruit cause death? How would you perform CPR in a helicopter? What happens when someone swallows razor blades? How long does it take blood to dry? Can DNA be obtained from a half-eaten bagel? D. P. Lyle, MD, answers these and many more intriguing questions. The book is a useful and entertaining resource for writers and screenwriters, helping them find the information they need to frame a situation and write a convincing description. TV viewers, readers who enjoy crime fiction, and those who want to know more about forensic science can keep up with the news and understand the science behind criminal investigation. From traumatic injuries to the coroner's office, the questions and answers are divided into five parts, making it a compendium of the incredible information that lies within the world of medicine and forensics.

**More Common Ground for International Competition Law?** May 21 2022 'This volume contains many excellent chapters on some of the most cutting edge topics in competition law today. Among the contributions are assessments of new approaches to competition law analysis, analyses of central and controversial topics in the relationship between competition law and intellectual property, and explorations of new transnational developments in China and elsewhere. The chapters range from studies of specific cases to broad interpretations of major trends. I found many of them to be highly insightful and very useful.' - David J. Gerber, Chicago-Kent College of Law, US 'This fresh collection of essays by scholars from around the world lives up to its title: it stakes out more common ground for the competition law systems of nations. The chapters result from the fourth annual conference of the Academic Society for Competition Law (ASCOLA). The essays cover major issues that reverberate around the world today, including: How should we think about the economic foundations of competition law in view of new research on behavioral economics and consumer choice? What is the future of the treatment of resale price maintenance? What is the proper fit of intellectual property with competition law? And how do we promote competition law and policy across borders? The collection offers insight from law, economics, political science, business strategy, and history.' - Eleanor Fox, New York University, US In recent years, an impressive proliferation of competition laws has been seen around the world. Whilst this development may lead to greater diversity of approaches, economic arguments may promote convergence. The contributions to this book look at a number of most topical issues by asking whether the competition world is turning more towards convergence or diversity. These issues include, among others, the changing role of economics in times of economic crises and political change, the introduction of criminal sanctions, resale-price maintenance, unilateral conduct and the application of competition law to intellectual property and state-owned enterprises. *More Common Ground for International Competition Law* will appeal to academics, PhD students, and postgraduate students law and economics, members of competition agencies, legal practice and international business.

**More Like Her** Sep 01 2020 'I'm not the girl men choose. I'm the girl who's charming and funny and then drives home alone wondering what she did wrong. I'm the girl who meets someone half-way decent and then fills in the gaps in his character with my own imagination, only to be shocked when he's not the man I thought he was. I'm the girl who hides who she really is...' Frannie has spent her life disguising who she really is for fear of falling short of other people's expectations. And when she meets her new boss, Frannie can't help but wish she was just a bit more like her. Because Emma has it all: the job, the lifestyle, the happy marriage... even the perfect dog. But everything is not as it seems. And Frannie's about to find out - in the hardest way possible - that chasing perfection isn't necessarily the route to the happy life that she's always imagined it to be.

*MotherKind* Jun 17 2019 Kate - whose care for her terminally ill mother coincides with the birth of

her first child in the early months of a young marriage - must, in a single year, come to terms with radiant beginnings and profound loss. Kate's everyday world is enveloped by the gradual vanishing of her mother. And as the woman who has been her best friend and mentor disappears, we see Kate deal with timeless, perhaps unanswerable, questions of love and death.

**Mother Box and Other Tales** Jan 17 2022 The eleven stories and one novella of Mother Box, and Other Tales bring together everyday reality and something that is dramatically not in compelling narratives of new possibilities. In language that is both barb and bauble, bitter and unbearably sweet, Sarah Blackman spins the threads of stories where everything is probable and nothing is constant. The stories in Mother Box, and Other Tales occur in an in-between world of outlandish possibility that has become irrefutable reality: a woman gives birth to seven babies and realizes at one of their weddings that they were foxes all along; a girl with irritating social quirks has been raised literally by cardboard boxes; a young woman throws a dinner party only to have her elaborate dessert upstaged by one of the guests who, as it turns out, is the moon. Love between mothers and children is a puzzling thrum that sounds at the very edge of hearing; a muted pulse that, nevertheless, beats and beats and beats. In these tales, the prosaic details of everyday life—a half-eaten sandwich, an unopened pack of letters on a table—take on fevered significance as the characters blunder into revelations that occlude even as they unfold.

**More Room in a Broken Heart** Dec 04 2020 A love song to an American icon: the first full-length biography of Carly Simon, from an acclaimed music journalist who has known her for decades Carly Simon has won two Grammys and an Academy Award, and her albums have sold more than forty million copies. Her music has touched countless lives since her debut in the 1970s, yet her own life story has remained unpublished-until now. Tapping private archives, family interviews, and a forty-year friendship with the legend herself, Stephen Davis at last captures Carly Simon's extraordinary journey from shy teenager to superstar. More Room in a Broken Heart candidly covers everything her fans want to know, including: Growing up with her father, publishing mogul Richard Simon The Bob Dylan turning point that launched her career The real story behind "You're So Vain" Carly's severe stage fright (she's the only musical guest to pretape an SNL segment) Romantic involvements with Mick Jagger, Warren Beatty, and Cat Stevens How Carly and James Taylor went from being pop music's reigning couple to independent souls living at opposite ends of Massachusetts Surviving breast cancer Her recent financial and spiritual crises Along the way, Davis vividly takes readers back to some of the most powerful eras in American music history and delivers a tribute worthy of the artist and her loyal fans, who know that nobody does it better than Carly Simon.

**Mortlock** Feb 18 2022 The sister is a knife thrower in a magician's stage act, the brother is an undertaker's assistant. Neither orphan knows of the other's existence. Until, that is, three terrible Aunts descend on the girl's house and imprison her guardian, the Great Cardamom. His dying act is to pass the girl a note with clues to the secret he has carried to his grave. Cardamom was one of three explorers on an expedition to locate the legendary Amarant, a plant with power over life and death. Now, pursued by flesh-eating crow-like ghuls, brother and sister must decode the message and save themselves from its sinister legacy.

It's a desperate, daring plan - to rescue two kids, Jamal and Bibi, from a desert detention centre. Can Bridget and Menzies pull off their very first jail break, or will they end up behind bars too? Sometimes, to help a friend, you have to dig deep.

*Moss Bluff Rebel* Sep 13 2021 So wrote Texas pioneer cattle drover William Berry Duncan in his March 1862 diary entry, the day he joined the Confederate Army. Despite his misgivings, Duncan left his prosperous business to lead neighbors and fellow volunteers as commanding officer of cavalry Company F of Spaight's Eleventh Battalion that later became the 21st Texas Infantry in America's Civil War. Philip Caudill's rich account, drawn from Duncan's previously untapped diaries and letters written by candlelight on the Gulf Coast cattle trail to New Orleans, in Confederate Army camps, and on his southeast Texas farm after the war, reveals the personable Duncan as a man of steadfast integrity and extraordinary leadership. After the war, he returned to his home in Liberty County and battled for survival on the chaotic Reconstruction-era Texas frontier. Supplemented by archival records and complementary accounts, *Moss Bluff Rebel* paints a picture of everyday life for the Anglo-Texans who settled the Mexican land grants in the early nineteenth century and subsequently became citizens of the proudly independent Texas Republic. The carefully crafted narrative goes on to reveal the wartime emotions of a reluctant Confederate officer and his postwar struggles to reinvent the lifestyle he knew before the war, a way of life he sensed was lost forever. *Moss Bluff Rebel* will appeal to history lovers of all ages attracted to the drama of the Civil War period and the men and women who shaped the Texas frontier.

Travis Collins, a straight college student, finds himself in a financial bind. He'll do anything legal, including going gay for pay and spending a weekend as "Craig Rocke," with gay porn star Marston Cougar. Marston tells him to remember it's all fantasy for the camera even though it feels like more. Gary Carmeletti, also known as Marston Cougar, has a respectable day job. He started out making gay porn to pay for college. After getting his heart broken, he has a no-dating rule. Now paired with "virgin" Craig, he finds it hard to keep it make-believe when he's losing his heart. Gary's niece needs surgery, and he almost has enough money to quit for good. But now that he feels a true connection with his fantasy costar, will he be able to find a happily ever after when he feels it's more than make-believe? NOTE: This book was previously published with another publisher. \*\* A Siren Erotic Romance

*More Shapes Than One* Dec 16 2021 These thirteen tales are populated by an assortment of fictional as well as real characters, all of them vividly sketched and true-to-life: the botanist Linnaeus, the composer Offenbach, the poet Hart Crane, the visionary horror writer H. P. Lovecraft, a southern sheriff, a dealer in rare books, a country singer, an old maid (and her suitor), and a mathematician. Whether these stories are deemed disquieting, comic, prophetic, or tall in the telling, they show us worlds where the truth reveals itself in many shapes. Throughout the writings comprising *More Shapes Than One*, Fred Chappell's storytelling magic transforms the commonplace.

A combination of memoir, natural history, Native American history, and geology, this book is enriched by 20 color photos and a map to appeal to the seasoned visitor as well as the newcomer to the refuge. The national wildlife refuge that's the focus of the book was among the first established by President Theodore Roosevelt. He helped save the Wichitas from miners and land speculators, and instead the harsh yet scenic area became the nation's first bison refuge, established to keep this American icon from slipping into extinction. Today the refuge hosts more

than a million visitors a year, most of them coming to hike the trails, climb the rocks, photograph bison and prairie dogs, or simply commune with a beautiful, wild area that remains a spiritual landscape for the Kiowa and Comanche Indians who call it home. "The manuscript is incomparable in its depth and breadth of natural and human history of the Wichita Mountains Wildlife Refuge and, by extension, of southwestern Oklahoma. Anyone with even a passing interest in the refuge or western Oklahoma would absorb abundant knowledge of the entire region nowhere else available in one volume."—Gary Clark, author of *Backroads of the Texas Hill Country: Your Guide to the Most Scenic Adventures* and columnist for the *Houston Chronicle* "I enjoyed the narrative and the intimacy of the story as well as the photography."—George Maxey, geology professor

**Most Likely to Succeed at Work** Jun 22 2022 As Kurt Vonnegut once said, "True terror is to wake up one morning and discover that your high school class is running the country." When it comes down to it, work—with its know-it-alls, gossips, and brown-noser—is a lot like high school. This clever and useful book helps readers identify and better communicate with these and other common types we all remember from the days when report cards, not business reports, were our concern, and when the big social event was the prom, not the company picnic. You don't need to dig out your yearbook to get a glimpse of these types—just take a look around your office: the Teacher's Pet, the Player, the Cheerleader, the Go-Getter, the Underachiever, the Class Clown, and many more. With wit and uncanny accuracy, corporate coaches Wilma Davidson and Jack Dougherty outline all the members of the "class," offering tips on working efficiently with each type, whether they're your boss, your client, or a colleague. The book also delivers advice on handling authority, conformity, looks, popularity, "sex education," and other indignities from high school that live on in the workplace. Whether you're still the same as you were in high school, a combination of types, or a reformed Rebel turned Class President, you will delight in and learn from this unique guide.

*More Good Old Stuff* Sep 20 2019 Offering indisputable evidence of the early talent that was to lead him to the top of the bestseller lists everywhere, these fourteen tales of crime and corruption, of sleuthing and suspense, of treachery, intrigue, and revenge, by the incomparable John D. MacDonald, were selected from the hundreds that originally appeared in the immensely popular pulp magazines of the late 1940s. Superb entertainment from one of crime's most famous and accomplished writers. 'The stories share MacDonald's love of a buzz ending and the biting setup' *Chicago Sun-Times*

*More Than It Hurts You* Oct 14 2021 Will this hurt me...more than it hurts you? Josh and Dori Goldin are the perfect couple. And they have a perfect baby boy: he is eight months old, he has blue eyes and tawny hair, and no, he hasn't started to talk yet. And he doesn't react to his name. And he did lose consciousness recently. And coughed up blood... And then his heart stopped. For no obvious reason. But young children always scare their parents... Don't they? *More Than It Hurts You* is the compelling and devastating story of a seemingly perfect family spinning into crisis: a mother accused of harming her child, and a father shocked into realizing that the people he loves the most may be the people he should trust the least.

*More Than Love Letters* Aug 12 2021 When Richard Slater receives a letter of complaint from one of his constituents, a Margaret Hayton, he merely responds with his standard letter of empty promises. Clearly, this woman is insane and must be avoided at all costs. But she will not be dismissed so easily, and when Richard finally sets eyes on the 'twenty-something vision in stone-washed denim, with a cloud of dark ringlets and huge, serious eyes' he risks losing his heart, his head and quite possibly his political career.

**More Than A Mistress** Sep 25 2022 Charles Mountford, Marquis of Tonbridge, has long felt the weight of responsibility. He knows he must do his duty and take a wife. But when he's left snowbound with the unconventional Miss Honour Meredith Draycott, he finds that his inner rogue wants to come out to play. Merry doesn't need a man no matter how handsome he is! Sadly, society takes a different view. Charlie is more than happy to make her socially acceptable, but only if she acts publicly as his betrothed and privately as his mistress!
